Big-Time Sports in American Universities Charles T. Clotfelter,2019-02-21 For almost a century big time college

athletics has been a wildly popular but consistently problematic part of American higher education. The challenges it poses to traditional academic values have been recognized from the start but they have grown more ominous in recent decades as cable television has become ubiquitous, commercial opportunities have proliferated, and athletic budgets have ballooned. In the second edition of his influential book *Big Time Sports in American Universities*, Clotfelter continues to examine the role of athletics in American universities, building on his argument that commercial sports have become a core function of the universities that engage in them. Drawing on recent scandals on large scale college campuses and updates on several high profile court cases, Clotfelter brings clear economic analysis to the variety of problems that sports raise for university and public policy, providing the basis for the continuation of constructive conversations about the value of big time sports in higher education.

Time Out Miami and the Florida Keys Editors of Time Out, 2013-07-23 The sixth edition of *Time Out Miami and the Florida Keys* is your VIP pass to this A list city. Time Out's intrepid team of insiders has combed its beaches, bars, restaurants, and secret spots to create the definitive guide to the fabulous, surreal life of Miami. All rumors of this city being heaven's waiting room will be dispelled as Miami's vibrant, youthful culture is exposed and explored. We will shed light and not just a neon one on the evolution of what was once a sleepy beach town into one of the world's most glamorous spots.
