[The Wakeful Body](#) Willa Blythe Baker, 2021-11-23 Spirituality Practice Best Books of 2021 Award Winner A highly practical and approachable guide to somatic meditation with easy practices for accessing the body's inherent mindfulness from an expert in somatic meditation Tap into the wisdom of the body with down to earth practices like Surrendering to the Breath and Befriending Feelings that allow the body to become the source of mindfulness Willa Blythe

Baker introduces meditation practice as the cultivation of a way of being rather than a way of doing. It is a way of being that is self-aware, self-compassionate, and embodied. This way of being is not limited to practice on the cushion or on the yoga mat; somatic mindfulness is available at any moment, activated by attention to the body's wisdom and its teachings. Discover the three layers of embodiment: from the earth body of flesh and blood, the subtle body of sensory experience and emotion, and the awareness body of consciousness. The three parts of this book explore these layers through turning attention to the physical, energetic, and mental dimensions of human experience. By diving deep into the body, readers will find that they already have what they need. Concentration, wisdom, compassion, kindness, and joy are waiting there. **If the Body Politic**

Could Breathe in the Age of the Refugee Julia Metzger-Traber, 2018-05-15. This book posits that the refugee crisis may actually be a crisis of identity in a rapidly changing world. It argues that Western conceptions of the individual Self shape metaphors of political homes and thus the geopolitics of belonging and exclusion. Metzger-Traber creatively re-conceives political belonging by perceiving the interconnection of each Self through its most immediate home: the breathing body. On an experimental literary journey through her own past and that of Germany, she puts political philosophy in conversation with somatic and spiritual insight to expand notions of Self and Home. Then she asks: What ethical imperatives arise? What kinds of homes and homelands would we create if we no longer thought we ended at our skin. **Reverse Meditation** Andrew

Holecek, 2023-07-11. Disruptive practices to revolutionize your relationship with meditation and fully engage with the full breadth of your experience. Why do we meditate? The main reason most modern people start meditating is because it helps us feel better: reducing anxiety, improving sleep, decluttering the mind, and so forth. But where does your meditation go when things go bad? asks Andrew Holecek. Where is your spirituality when rock meets bone, as they say in Tibet when the crap hits the fan? Reverse Meditation is for anyone who wants to bring the challenges of life onto the path of awakening. When things get hard, it's time to turn your practice on its head and throw out any assumption that meditation exists to insulate you from the confusion, difficulties, and uncertainty of life. By putting your meditation into reverse, Holecek teaches you. You'll actually find yourself going forward. Step into your pain, and you can step up your evolution. With his signature blend of depth and accessibility, Holecek invites you to explore three core forms of meditation: mindfulness, open awareness, and the boundary-smashing reverse meditations. How to know when you're ready to engage with reverse meditation. On-the-spot practices for snapping into a meditative mindset in difficult situations. Contraction and expansion: how to dismantle habits of avoidance to become more open, resilient, and fully alive. How reverse meditation opens you to a direct experience of the fundamental perfection of reality just as it is. These unique meditations are designed to reverse our relationship to unwanted experiences, which means going directly into them instead of avoiding them, says Andrew Holecek. It's not an easy journey, yet this path leads to the discovery of unconditional happiness, basic goodness, and true freedom in the most turbulent situations.

Freeing the Body, Freeing the Mind Michael Stone, 2011-05-12. In this collection of provocative essays by prominent

teachers of Yoga and Buddhism the common ground of these two ancient traditions becomes clear Michael Stone has brought together a group of intriguing voices to show how Buddhism and Yoga share the same roots the same values and the same spiritual goals The themes addressed here are rich and varied yet the essays all weave together the common threads between the traditions that offer guidance toward spiritual freedom and genuine realization Contributors include Ajahn Amaro Bhikkhu Shosan Victoria Austin Frank Jude Boccio Christopher Key Chapple Ari Goldfield and Rose Taylor Chip Hartranft Roshi Pat Enkyo O Hara Sarah Powers Eido Shimano Roshi Jill Satterfield Mu Soeng Michael Stone Robert Thurman *Tricycle* ,2006 **Finding God in the Body** Benjamin Riggs,2016-12-30 Finding God in the Body turns inward to examine the human condition meeting personal suffering with heartfelt insight and transformative practice It steers clear of the wishful thinking unfounded beliefs and cynicism that define much of the spirituality genre Ben Riggs leaves no stone unturned addressing each stage of the journey as he explores the space between fundamentalism and atheism to uncover a spirituality that resonates with the modern Western mind Then he binds that view to an actionable path of self analysis prayer and meditation which introduce the reader to the God of the body This book is a much needed addition to the corpus of spiritual literature and a must read for all modern seekers _____ In Finding God in the Body Ben Riggs shows us the possibility of experiencing God as an intimate intensely personal and deeply affecting presence Within our bodily awareness in the immediacy of the present moment we can behold God s mind His love and His glory throughout the universe And in doing so we can experience true salvation and find our own place within the infinity of divine reality This is a most remarkable unusual profound book that is certain to transform the spiritual lives of all who read it Dr Reginald Ray author of *Touching Enlightenment Finding Realization in the Body and Indestructible Truth* *Touching Enlightenment* Reginald A.
