Davis,2024-04-08 Now more than ever before pastors and ministers should make sure the Word of God goes forth in a world that has lost its moral and spiritual way In America we are living on the edge When we go to the marketplaces schools churches outside activities we don t know if a mass shooting might take place We don t know what to expect in public places because violence and killings have become commonplace Many of our youth are dying from drug poisoning gun shootings and suicide Racial hatred is on the rise and kids are taking guns to school causing lockdowns and distress All around us is sorrow sadness and senselessness The only hope light and transformation is God s Word and its application These thematically arranged Bible lessons can help in the process of humanity finding their way back to God through Jesus Christ

Zapata,2012-07-12 No one grows up saying I think Ill get sick and spends the rest of their life trying to survive a constant battle between life and death Instead we grow up believing were invincible We believe nothing bad could ever happen to us because we have hopes and dreams to fulfill Theres never a good time to have poor health In 2002 my husband Juan contracted valley fever which disseminated into fungal meningitis causing irreparable scarring on his brain For nine years our time was primarily focused on my husbands illness and disability Our three children lived with the uncertainty of their fathers mortality As a family we learned to live as if each day was the last but to have hope for the future We made memories and made plans There were times we didnt know if we could survive but as a family we found the strength in God to stay together We were blessed with many tender mercies from the Lord as we traveled what appeared to be an endless road We understood that even though our trials seemed long they were merely a short segment of mortality and that our lives will continue to exist beyond the grave Most importantly we learned that love heals all and serving one another is truly a blessing for ourselves As a married couple Juan and I witnessed countless miracles touch our lives as we exercised faith for enduring the end
