Handbook of Research in International Marketing

Subhash C. Jain, David A. Griffith, 2011 The global expansion of business has generated a tremendous interest among scholars but there remains a strong need for theoretical insights into conducting marketing operations abroad This thoroughly revised edition addresses this lack in the extant literature The book consists of insights from leading scholars in international marketing working not only to advance the theoretical underpinnings of today s most important international marketing issues but also to provide insights for how the field of scholarship and practice of international marketing might develop in the future The authors top scholars from around the world provide useful theoretical insights designed to stimulate contemplation and discussion and to provide guidelines for future research on international marketing The volume includes coverage of topics in four main areas Part I looks at global branding while Part II examines issues of marketing strategy on a world stage Part III offers chapters on cultural issues and the book closes with a more detailed look at marketing at the bottom of the pyramid in Part IV Scholars and students in marketing and international business will find much of value in this comprehensive volume

Business Law & the Legal Environment of Business Victor Lopez, 2016-06-22 Revised and expanded third edition includes a new chapter on constitutional law 45 short chapters 564 pages and incorporates timely end of unit cases that are suitable for briefing and class discussion and that can be easily assigned for students Ethics and the Law Questions for Further Study in many chapters a feature that challenges students usually from a devil s advocate perspective to analyze and determine whether the law promotes or impedes justice and ethical standards Modular style offering students material in digestible chunks and instructors flexibility in syllabus sequence
