

WHITE AGAINST RED

The Life of General Anton Denikin
Dimitry V. Lehovitch

A biography of the man who symbolized the White Russian cause
through the dramatic events of the Russian Revolution and civil war.

White Against Red The Life Of General Anton Denikin

Timothy C. Dowling

White Against Red The Life Of General Anton Denikin:

White Against Red Dimitry V. Lehovich,1974-09 The career of Anton Denikin in the Imperial Russian Army placed him at the focal point of Russia's involvement in World War I and of the White Russian opposition to the Bolshevik Revolution

The Blackwell Encyclopedia of the Russian Revolution Harold Shukman,1994-12-05 This single volume is an authoritative and accessible guide to the background and progress of the Revolution written by a team of over forty specialist contributors Beginning with the radical movements of the mid nineteenth century the Encyclopedia covers the development of the revolutionary movement created by the intelligentsia the condition of the peasants that of the working class and of the army the role of the Tsarist secret police the agents provocateurs the revolutionaries own underground A substantial section is devoted to the emergence of liberation movements among the national minorities of the borderlands The Encyclopedia also considers the formation of Soviet institutions and examines too the emergence of revolutionary culture well before 1917 the avant garde in art and theatre and the relationship to the revolution of three major Russian writers Blok Gorky and Mayakovsky

The European Powers in the First World War Spencer C. Tucker,2013-12-16 Focuses on a great watershed event The First World War was one of the great watershed events of the 20th century not only costing millions of lives but also disrupting existing social order precipitating dramatic changes in the methods of waging warfare and teaching victors new lessons about the treatment of vanquished foes Provides valuable perspective Now a new reference work helps to put this momentous historical milestone in perspective Designed as a companion to Garland's *The United States in the First World War* this new encyclopedia concentrates on non U S aspects of the conflict Its more than 600 alphabetically arranged detailed entries offer information and insights on such topics as the perceived and underlying causes of war diplomatic efforts to stop the slaughter the shortsighted and ultimately disastrous peace terms and a host of other subjects vital to a full understanding of the events The Encyclopedia covers all major campaigns and battles surveys weapons and devices of war and examines the roles played in the events by statesmen politicians religious and military leaders and prominent citizens Covers key participants and concerns Also included are biographies of individuals profoundly affected by the war who played major roles in history such as De Gaulle Hitler appraisals of military medicine infantry tactics the use of artillery naval blockades and other subjects and surveys of such diverse topics as art literature and music in the war camouflage censorship propaganda the creation of Yugoslavia the Jewish Legion codebreaking women in the war and much more Each entry is followed by a bibliography for pursuing inquiries in depth and a subject index provides easy access

The Russian Revolution and Civil War 1917-1921 Jonathan Smele,2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian

Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history. The Bibliography focuses on the key years of 1917 to 1921, starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921, and covers all the key events of the intervening years. As such, it identifies these crucial years as something more than simply the creation of a communist state. **Historical**

Dictionary of the Russian Civil Wars, 1916-1926 Jonathan D. Smele, 2015-11-19. This book is a detailed reference of the twentieth-century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state, the Union of Soviet Socialist Republics, was born. At the same time, it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917. Instead, it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would-be successor states across a prolonged period. The *Historical Dictionary of the Russian Civil Wars, 1916-1926* covers the history of this period through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has almost 2,000 cross-referenced entries on individuals, political and governmental institutions, and political parties and military formations and concepts, as well as religion, art, film, propaganda, uniforms, and weaponry. This book is an excellent access point for students, researchers, and anyone wanting to know more about the Russian Civil War. **History of the Caucasus**

Christoph Baumer, 2023-10-05. *In the Shadow of Great Powers* is the second volume of Christoph Baumer's *History of the Caucasus*. It covers the period from the Seljuk domination of the Southern Caucasus around 1050 CE to the present day. After the Kingdom of Georgia's golden age of independent power and cultural blossoming in the 12th and early 13th centuries, the Caucasus was overrun by the Mongols and soon disintegrated into innumerable smaller kingdoms, principalities, and khanates. At the same time, an Armenian kingdom in exile maintained a precarious independence in Cilicia (today's southern Turkey) by applying a three-way diplomatic policy balanced between the Mongol Il-Khanate, the Crusader states, and to a lesser degree, the Mameluke Empire. Then followed four centuries during which the highly fragmented polities of the North and South Caucasus became political pawns of the regional great powers: above all, the Ottomans, Iran, and Russia. In the wake of World War I, the South Caucasus enjoyed a short-lived independence, whereas its northern neighbours were engulfed by the Russian civil wars. But by 1921, the Soviet Union had re-established Russian dominance over the whole region, and from a Western perspective, the region disappeared behind the Iron Curtain. Nevertheless, the Caucasian nations kept their pronounced identities even under Soviet rule, giving rise at the dissolution of the Soviet Union to a number of internecine conflicts. Whereas the Russian Federation managed to maintain its supremacy over the North Caucasus, albeit at the cost of bloody wars and insurrections, Armenia, Azerbaijan, and Georgia succeeded in more or less gaining control over their destiny. Of these three republics, only Azerbaijan secured a wide-ranging independence thanks to its fossil fuel resources. Following Russian

interference Georgia lost control over two of its provinces while Armenia remains dependent on Russian support in the face of its notoriously antagonistic relations with neighbouring Azerbaijan and Turkey over the unresolved issue of Karabakh In the Shadow of Great Powers includes some 200 full colour images and maps which further bring the turbulent history of this region to light

Civil War in Europe, 1905-1949 Stanley G. Payne, 2011-09-19 This is the first account in any language of the civil wars in Europe during the era of the world wars from 1905 to 1949 It treats the initial confrontations in the decade before World War I the confusing concept of European civil war the impact of the world wars the relation between revolution and civil war and all the individual cases of civil war with special attention to Russia and Spain The civil wars of this era are compared and contrasted with earlier internal conflicts with particular attention to the factors that made this era a time of unusually violent domestic contests as well as those that brought it to an end The major political ideological and social influences are all treated with a special focus on violence against civilians

Russia at War Timothy C. Dowling, 2014-12-02 This easy to use reference explores the people and events that shaped Russian military history and impacted Europe Asia and the world over the past eight centuries Russian military history is an often overlooked field Yet Russia is and has long been an important player in global politics and its military exploits have been central to its role on the world stage This study of Russia's military past provides insights into European and U S history including the conduct of the two World Wars and the Cold War and will help readers better appreciate the current geopolitical situation This work covers major events and figures in Russian military history from the end of Mongol domination in the 14th century to the present day More than 650 entries by scores of expert contributors detail events individuals organizations and ideas that have influenced Russian warfare over 800 years Two alphabetically arranged volumes explore such conflicts as the Russo Polish Wars the Great Northern War the Russo Turkish Wars the Napoleonic Wars the Crimean War the Russo Japanese War World War I World War II and the Cold War including the Soviet invasion of Afghanistan Cross references and further readings in each entry serve as jumping off points for further exploration

The White Russian Army in Exile, 1920-1941 Paul Robinson, 2002 Paul Robinson traces the fate of the tens of thousands of soldiers of the anti Bolshevik White Armies who fled Russia at the end of the Russian civil war Even as the troops dispersed throughout the world they continued to think of themselves as soldiers kept their organization intact and in some cases even continued their military training This book provides the first detailed history of this remarkable phenomenon It outlines the activities of the White Army in exile including its underground struggles against the Soviet Union the humanitarian aid it supplied to its members the ideological debates in which it participated and its efforts to collaborate with Germany in the Second World War The story of the afterlife of one of the largest combat forces ever dispersed in this way is a fascinating one and Robinson's account gives due attention to several of the remarkable individuals who were involved He sheds new light on the history of the White Movement in general as well as on the personal histories of those Russians caught up in the mass emigration of the interwar years

The

Modern Encyclopedia of Russian and Soviet History Joseph L. Wiczynski, 1976 Canadian - American Slavic Studies , 1976
 A quarterly journal devoted to Russia and East Europe Soviet Foreign Policy, 1918-1945 Robert H. Johnston, 1991-04 This
 volume explains how to make the best use of collections both within and outside the former USSR and evaluates over 900
 books articles and periodicals on every aspect of Soviet foreign policy **Cronies Or Capitalists?** David Lockwood, 2009
 Why wasn't there a successful bourgeois revolution in Russia Was it because Russian capitalists were too servile in their
 relationship with the Tsarist autocracy Or was it because Russian states Tsarist republican and Soviet were just too strong
 This book is a political history of the Russian capitalist class from 1850 to 1917 that seeks to answer these questions The
 book covers the consistent opposition of the Russian bourgeoisie to the Tsarist autocracy up to and including the revolution
 of 1905 It then considers its alliance from 1909 with new state elements officials politicians army officers and technical
 experts who were convinced of the possibility of reform and renovation through a radically reorganised state cleansed of its
 autocratic detritus Such a reorganisation was expected as a result of the Great War While these ideas came to a temporary
 fruition in the February Revolution of 1917 they also laid the basis for a much more demanding Soviet state in October and
 the destruction of the bourgeoisie itself The book ends with a consideration of the wider implications for the concept of the
 bourgeois revolution implications that stretch well beyond Russia that are revealed by the rise and fall of the Russian
 bourgeoisie Canadian Slavonic Papers , 1990 **Book Bulletin** Chicago Public Library, 1975 **National Union**
Catalog , 1973 Includes entries for maps and atlases From Empire to Republic Stanford Jay Shaw, 2000 The
Mensheviks After October Vladimir N. Brovkin, 1987 The Fullest account to date of the Menshevik party during the first year
 of Soviet rule Focusing on the period from October 1917 through October 1918 months when the Soviet political system still
 permitted a degree of electoral competition among political parties he explores the moderate socialists opposition to the
 Bolsheviks back cover **Slavic Review** , 1975-09 Histoire Russe , 1978

This is likewise one of the factors by obtaining the soft documents of this **White Against Red The Life Of General Anton Denikin** by online. You might not require more period to spend to go to the book commencement as without difficulty as search for them. In some cases, you likewise attain not discover the notice White Against Red The Life Of General Anton Denikin that you are looking for. It will extremely squander the time.

However below, next you visit this web page, it will be so definitely easy to acquire as competently as download lead White Against Red The Life Of General Anton Denikin

It will not receive many grow old as we accustom before. You can get it even though perform something else at house and even in your workplace. hence easy! So, are you question?
