Why Weren't We Told Henry Reynolds:

Why Weren't We Told? Henry Reynolds, 2000 Historian Henry Reynolds has found himself being asked these questions by many people over many years in all parts of Australia. The acclaimed *Why Weren't We Told* is a frank account of his personal journey towards the realisation that he like generations of Australians grew up with a distorted and idealised version of the past. From the author's unforgettable encounter in a North Queensland jail with injustice towards Aboriginal children to his friendship with Eddi Mabo to his shattering of the myths about our peaceful history, this bestselling book will shock, move and intrigue. *Why Weren't We Told* is crucial reading on the most important debate in Australia as we enter the twenty-first century. [The Art of Time Travel](#) Tom Griffiths, 2017-07-03 No matter how practised we are at history, it always

humbles us. No matter how often we visit the past, it always surprises us. Winner of the Ernest Scott Prize and shortlisted for the NSW Premier's Literary Award for Non-fiction, a rare feat of imagination and generosity. Mark McKenna. With every sentence they write, historians must walk the tightrope between discipline and imagination, empathy and evidence. In this landmark work, eminent historian and award-winning author Tom Griffiths shares his passion for the fascinating, complex craft of history or, as he calls it, the art of time travel. In fourteen portraits, Griffiths illuminates how historians such as Inga Clendinnen, Judith Wright, Geoffrey Blainey and Henry Reynolds have approached their craft. In prose both earthy and elegant, he shows the new insights they have brought to Australian history and, in so doing, reshapes our shared knowledge of this continent. *The Art of Time Travel* is an exhilarating book that will forever change the way you think of Australia's past. If the past is a foreign country, Tom Griffiths makes the perfect travelling companion. Let him be your eyes and ears on our shared history. Most of all, follow his heart. Clare Wright. **Healing Our History 3rd Edition** Robert Consedine, Joanna

Consedine, 2012-03-28 A powerful and humane book. *Healing Our History* eschews rhetoric and cuts to the true story of race relations in New Zealand. The Treaty of Waitangi is the most important document in New Zealand's history. Current Treaty issues and Māori Pakeha relationships can only be understood within the wider story of New Zealand. As we understand and honour our history, we can acknowledge the need for restoration, healing and right relationships. The public response to previous editions of this bestselling book by Robert Consedine and his daughter Joanna Consedine has been strong and overwhelmingly positive. This 2012 edition updates and expands on the critical issues: the foreshore and seabed debate, Māori access to political power and the emergence of the Māori Party, the remarkable growth of the Māori economy, self-determination, Māori language and the developments in Māori education, constitutional issues and the benefits of the Treaty settlement process. New Zealand and all New Zealanders have much to celebrate and many challenges ahead. Drawing on Robert's unique experience as a leading Treaty educator, the powerful message of this book illustrates how each and every New Zealander, across all cultures, can discover a new sense of personal and national identity grounded in an authentic Treaty relationship. This is one of those books New Zealand needs. Michael King. Based on years of Treaty work experience.
