Envisioning Ireland Claire Nally, 2010 Although Yeats is an over theorized author little attempt has been made to situate his occult works in the political context of 20th century Ireland This book provides a methodology for understanding the political and cultural impulses which informed Yeats's engagement with the otherworld

W.B. Yeats Frank Startup, 2002 W B Yeats is a large figure in English speaking literature and is widely studied in Britain Ireland and the US This guide offers an introduction to the Irish writer whose interests ranged from the occult to politics Focusing on W B Yeats poetry it also pays attention to the range of his work including plays essays and short stories and provides an outline of critical reactions both past and present

James Joyce Gordon Bowker, 2025-10-16 A revealing new biography the first in more than fifty years of one of the twentieth century's towering literary figures James Joyce is one of the greatest writers of the twentieth century his novels and stories foundational in the history of literary modernism Yet Joyce's genius was by no means immediately recognized nor was his success easily won At twenty two he chose a life of exile he battled poverty and financial dependency for much of his adult life his out of wedlock relationship with Nora Barnacle was scandalous for the time and the attitudes he held towards the Irish and Ireland England sexuality politics Catholicism popular culture to name a few were complex contradictory and controversial Gordon Bowker draws on material recently come to light and reconsiders

the two signal works produced about Joyce's life Herbert Gorman's authorized biography of 1939 and Richard Ellman's magisterial tome of 1959 and most importantly by binding together more intimately than has ever before been attempted the life and work of this singular artist Gordon Bowker here gives us a masterful fresh eminently readable contribution to our understanding both of Joyce's personality and of the monumental opus he created Bowker goes further than his predecessors in exploring Joyce's inner depths his ambivalent relationships to England to his native Ireland and to Judaism uncovering revealing evidence He draws convincing correspondences between the iconic fictional characters Joyce created and their real life models and inspirations And he paints a nuanced portrait of a man of enormous complexity the clearest picture yet of an extraordinary writer who continues to influence and fascinate over a century after his birth Widely acclaimed on publication in Britain last year perhaps the highest compliment paid was by Chris Proctor of London's Tribune Bowker's success is to lead you back to the texts perhaps understanding them better for this rich account of the maddening insane genius who wrote them

The Essential Reform Charles Henry Chomley, Robert Leonard Outhwaite, 1909

The Bloomsbury Handbook of Reading Perspectives and Practices Bethan Marshall, Jackie Manuel, Donna L. Pasternak, Jennifer Rowsell, 2020-10-15 Shortlisted for the UK Literacy Association's Academic Book Award 2021 The Bloomsbury Handbook of Reading Perspectives and Practices focuses on the experiences of reading from a young age to maturity and the different ways reading is encountered in other words the processes involved as well as the outcomes The international group of experts within both teaching and academia focuses on reading in school how is it taught What is taught How is it assessed Controversial issues are explored the acquisition of phonics teaching the canon including or ignoring digital texts the advent of standards based tests The contributions also consider people's biographies of reading their memories of reading in school and their current views on literature Together this well edited volume provides a more complete view of reading than is currently on offer exploring all aspects of what it means to be literate and how we define being literate

A Reader's Guide to William Butler Yeats John Unterecker, 1971

Euphoria and Symposia Kieran Bonner, 2025-06-10 Euphoria and Symposia explores the relationship between euphoria desire and well being in the human practices of drinking and thinking both phenomena in which seeking more more alcohol more knowledge can be understood ambiguously as simultaneously positive and negative Drinking leads to both euphoria and depression and is potentially destabilizing for both the individual and the collective While medical science understands it is risky for our health dependency addiction illness anthropology sees drinking as contributing to communal celebration euphoria sociability Since health and celebration are both desirable goods Kieran Bonner suggests that it is this balancing act our desire for what is better and good our preference for one thing over another that creates ambiguity revealing a grey zone that is fundamental to a fuller understanding of well being In a series of case studies revealing intricacies and ambiguities not usually picked up in typical scientific philosophical or sociological discourses Bonner posits well being as harmony requiring nuanced judgments about

the various things that humans desire including wealth health beauty power vitality leisure pleasure love and wisdom Informed by a creative synthesis of Socratic interrogation hermeneutic perspectives drawn from post phenomenological thinkers such as Hans Georg Gadamer and Hannah Arendt and distinctive perspectives found in the tradition of reflexive sociology Euphoria and Symposia asserts that reconciling unlimited desire with the finite nature of the human condition is essential for the understanding and enjoyment of life itself The Beat Generation Christopher Gair,2012-12-01 Without them the Hippies and the Punks would never have existed The Beat Generation were a radical group of American writers whose relaxed gritty and candid writing inspired generations In his chronicle of the origins adventures and inner workings of the Beat movement Christopher Gair reveals how it sparked one of the most important revolutions in American literature influencing everything from bebop to the Beastie Boys How Not to Play Chess Eugene A. Znosko-Borovsky,2012-04-27 Developing plans of action based on positional analysis weak and strong squares control of open lines pawn structure more 20 problems The Publishers' Trade List Annual ,1917 *Feathered Entanglements* Scott E. Simon,Frédéric Laugrand,2024-10-15 As they migrated across great distances ancient humans may have used birdsong and bird sightings to find food and water in unseen territory Today attending to birds helps scientists track not only avian migration but also environmental change Birds remain our sentinels Feathered Entanglements offers a rich tapestry of human bird relations across the Indo Pacific In this era of uncontrolled industrialization we have grown increasingly disconnected from the natural world The ways in which birds feature in the daily life symbolic systems and material culture of humans from pigeon keeping on the rooftops of Amman to the rituals of Indigenous peoples in Taiwan can teach us how to live with other species amid the challenges of the Anthropocene In a time of intensifying ecological crisis we need more than ever to protect and appreciate non human lives Feathered Entanglements embraces the connection between humans birds and our shared world The Yoga of Divorce Mike MacConnell,2016-09-09 So far lawyers are the only ones getting any money There s no middle ground We only talk through lawyers I open my mouth and we end up screaming at each other Sound familiar What if there was a way to divorce with a minimum of hostility time and expense It is attainable even if you are working towards these goals without the cooperation of your spouse The Yoga of Divorce advocates that we shift our reactions and embrace the notion of cooperative opposition the idea that the same non adversarial process that works on the yoga mat can be used at the negotiation table The key to The Yoga of Divorce s strategy is to park ego at the door If we stop trying to win but instead seek a solution that is fair to both sides we make much smoother progress The mindful practice of cooperative opposition can simultaneously resolve physical stress and social conflict by intentionally balancing opposite forces It might seem simple but it takes conscious effort We urgently need to make calm decisions at those times when being calm is most difficult such as in the midst of emotional crisis When stakes are highest we feel most triggered to attack For the sake of our children our wealth and our personal well being we need to work past negative emotions and put ego in its place Only then will we find

lasting peace and amicable resolutions
