The Prose Brut and Other Late Medieval Chronicles Jaclyn Rajsic, Erik Kooper, Dominique T. Hoche, 2016 Essays on the medieval chronicle tradition shedding light on history writing manuscript studies and the history of the book and the post medieval reception of such texts The histories of chronicles composed in England during the fourteenth and fifteenth centuries and onwards with a focus on texts belonging to or engaging with the Prose Brut tradition are the focus of this volume The contributors examine the composition dissemination and reception of historical texts written in Anglo Norman Latin and English including the Prose Brut chronicle c 1300 and later Castleford's Chronicle c 1327 and Nicholas Trevet's Les Cronicles c 1334 looking at questions of the processes of writing rewriting printing and editing history They cross traditional boundaries of subject and period taking multi disciplinary approaches to their studies in order to underscore the shifting historical social and political contexts in which medieval English chronicles were used and read from the fourteenth century through to the present day As such the volume honours the pioneering work of the late Professor Lister M Matheson whose research in this area demonstrated that a full understanding of medieval historical literature demands attention to both the content of the works in question and to the material circumstances of producing those works

Richard Alston's highly accessible book is designed specifically for students with little previous experience of studying

ancient Roman history Aspects of Roman History provides an invaluable introduction to Roman Imperial history which will allow students to gain an overview of the period and will be an indispensable aid to note taking essay preparation and examination revision **Serial Offenders** Kevin Borgeson,Kristen Kuehnle,2012 Identifying crimes and classifying them as serial murders is the first step towards determining who the offender is and what his or her motives and actions were Serial Offenders Theory and Practice explores the act of criminal profiling and the effective methods of case analysis and linkage Intriguing case studies are used to thoroughly examine the behavioral aspects of serial homicide and the investigative issues that criminal justice professionals face Readers will learn how to build hypotheses construct timelines and develop suspect lists Successful interview and interrogation skills and methods are also covered **The Last Enemy** Grace Brophy,2007 When her domineering mother dies Rita s aristocratic Italian relations are aghast to learn that she is planning to live with them As teh penitentes processional winds through Assisi s streets during Holy Week someone smothers her Commisario Alessandro Cenni must find her killer First volume of a new series set in Umbria featuring a handsome aristocratic bachelor investigator featuring plenty of atmosphere for the tourist and providing an insightful portrayal of Italian political corruption

The Space of Religion Yoshiko Ashiwa,David L. Wank,2023-08-29 Finalist 2024 Award for Excellence in the Study of Religion in Analytical Descriptive Studies American Academy of Religion Honorable Mention 2024 Francis H K Hsu Book Prize Society for East Asian Anthropology The Nanputuo Temple in the southeastern Chinese city of Xiamen has been a cherished site for the worship of the bodhisattva Guanyin for centuries It was a center of modernizing Buddhism in the early twentieth century and a flagship for the revival of Buddhism after state suppression during the Cultural Revolution The Space of Religion takes readers inside the Nanputuo Temple in order to explore the practice of Buddhism in modern China and the complex relationship between Buddhism and the Chinese state Based on three decades of ethnographic research Yoshiko Ashiwa and David L Wank tell the story of Nanputuo against the backdrop of a dramatic stretch of Chinese history They vividly depict episodes such as renovating the halls reestablishing ties with overseas Chinese donors conflicts with local government revival of ritual life reopening of its Buddhist academy and the passion of the Guanyin birthday festival To understand Nanputuo Buddhist communities and other temples in Xiamen Ashiwa and Wank develop the concept of religion as a space constituted by physical semiotic and institutional dimensions They also show how the Chinese state and Buddhism have each adapted to the other as the temple has adjusted to government policy while the state has deployed Buddhism in its promotion of Chinese culture This interdisciplinary book is both a theoretically generative analysis of religious spaces and an empirically rich account of the recovery of Buddhism in China after the Mao era *Liberating Histories* Claire Norton,Mark Donnelly,2018-07-11 Liberating Histories makes an original scholarly contribution to contemporary debates surrounding the cultural and political relevance of historical practices Arguing against the idea that specifically historical readings of the past are necessary or are compelled by the force of past events themselves this book instead focuses on other forms of past talk

and how they function in politically empowering ways against social injustices Challenging the authority and constraints of academic history over the past this book explores various forms of past talk including art films activism memory nostalgia and archives Across seven clear chapters Claire Norton and Mark Donnelly show how activists and campaigners have used forms of past talk to unsettle common sense thinking about political and social problems how journalists artists curators filmmakers and performers have referenced the past in their practices of advocacy and how grassroots archivists help to circulate materials that challenge the power of authorised institutional archives to determine what gets to count as a demonstrable feature of the past and whose voices are part of the historical record Written in a lucid accessible manner and combining insightful critical analysis and philosophical argument with clear consideration of how different forms of past talk influence the narration of pasts in a variety of socio political contexts *Liberating Histories* is essential reading for students and scholars with an interest in historiography and the ethical and political dimensions of the historical discipline **The**

Reluctant Terrorist and Other Stories Rajeev Ahal, 2017-08-18 Every minute in life you are at a crossroad Do you feel it The heart pounding breathtaking exhilaration of it all If not you aren't alone This is a book for those moments when you feel stifled constricted or just simply not where you want to be Take a journey into a seemingly haphazard past spent off the beaten track Starting with a disillusioned college kid and continuing on into the life of a somewhat grown man these twelve tales offer entertainment but also insights into the true flavors of rural and urban life rooted in an ancient yet developing country like India Meet people whose trysts with their daily lives hold insights into friendship love justice pain inspiration and more This is a book of both adventure and reflection It is for the soul As the adage goes Truth and amla wild gooseberry are the same they are bitter at first but sweet and healthy in their aftertaste These stories deal with some questions that may well echo those that you hold The meanings you derive from each story or choose not to should be of great interest to you for therein lie the seeds of the learning in your own lives **Populista** Will Grant, 2021-01-07 An ambitious riveting and

essential book that has much to teach us about the recent history of this region and about the human impulse towards populism that continues to shape the world Ben Rhodes bestselling author of *The World As It Is* A REVOLUTION IS A STRUGGLE TO THE DEATH BETWEEN THE FUTURE AND THE PAST FIDEL CASTRO For more than six decades Fidel Castro's words have echoed through the politics of Latin America His towering political influence still looms over the region today The swing to the Left in Latin America known as the Pink Tide was the most important political movement in the Western Hemisphere in the 21st century It involved some of the biggest most colourful and most controversial characters in Latin America for decades leaders who would leave an indelible mark on their nations and who were adored and reviled in equal measure Parties became secondary to individual leaders and populism reigned from Venezuela to Brazil from Central America to the Caribbean financed by a spike in commodity prices and the oil backed largesse of Venezuela's charismatic socialist president Hugo Chavez Yet within a decade and a half it was all over Today this wave of populism has left the

Dismissed as elegant fossils Lee Bruschke-Johnson, 2021-11-22 Konoe Nobutada 1565-1614 was a famous calligrapher and head of a high-ranking aristocratic family. Nobutada's contributions to the art and culture have frequently been overlooked largely because of the common misperception that aristocrats were too outdated, impoverished, and powerless to be worthy of discussion. *Dismissed as Elegant Fossils* seeks to reinstate aristocrats as key players in the competition for political and artistic supremacy by examining Nobutada's calligraphy and painting his turbulent relationship with Tokugawa Ieyasu and his family's role in marital politics.

The Maze Prison Tom Murtagh OBE, 2018-02-20 The Maze Prison shows how an establishment built to hold those involved in terrorism atrocities, murder, and allied crimes became a pawn in the partisan conflict that was Northern Ireland. There followed a breakdown of norms, values, and control as the last of these shifted from Governors to Ministers, outside officials, and even prisoners. This led to the often random killing of prison officers and countless allegations, denials, and obfuscations as Prison Rules came into conflict with claims to be treated as prisoners of war or be given Special Category status. A social document par excellence, this stark slant on The Troubles and Peace Process cuts through the propaganda and base politics to reveal the truth about the H-Blocks, hunger strikes, escapes, and power struggles. Based on actual records and personal accounts, it challenges myths and legends to warn how easily a community can descend into what the author calls anomie. An invaluable record of one of the most dangerous prisons in the world. A must-read for those interested in the legacy of our troubled past. Tom Murtagh restores the balance, exposes the truth, and gives a unique insight into the mind-set of the terrorist godfathers incarcerated in the Maze. The Rt Hon Sir Jeffrey Donaldson MP. This book gives an accurate account of events as I recall them. John Semple, Former Deputy Director of Operations, Northern Ireland Prison Service. This is an important book. Phillip Wheatley, former Director, National Offender Management Service.

The English Crime Play in the Twentieth Century Beatrix Hesse, 2015-08-02 This is the first comprehensive study of the English crime play, presenting a survey of 250 plays performed in the London West End between 1900 and 2000. The first part is historically orientated, while the second one establishes a tentative poetics of the genre. The third part presents an analysis of some 20 plays adapted from detective fiction.

The Report to the Judiciary Eugene Sullivan, 2008-05-13 A take on Othello, Shakespeare's classic tale of calumny and revenge, set against the wheelings and dealings of Congress and the Supreme Court. Written by a judicial insider who knows the secrets behind the headlines.

Guilt, Responsibility, and Denial Eric Gordy, 2013-09-17 When the regime led by Slobodan Milošević came to an end in October 2000, expectations for social transformation in Serbia and the rest of the Balkans were high. The international

community declared that an era of human rights had begun while domestic actors hoped that the conditions that had made a violent dictatorship possible could be eliminated More than a decade after the International Criminal Tribunal for the Former Yugoslavia initiated the process of bringing violators of international humanitarian law to justice significant legal precedents and facts have been established yet considerable gaps in the historical record along with denial and disagreements continue to exist in the public memory of the Yugoslav wars **Guilt Responsibility and Denial** sets out to trace the political social and moral challenges that Serbia faced from 2000 onward offering an empirically rich and theoretically broad account of what was demanded of the country's citizens as well its political leadership and how these challenges were alternately confronted and ignored Eric Gordy makes extensive use of Serbian media to capture the internal debate surrounding the legacy of the country's war crimes providing one of the first studies to examine international institutional efforts to build a set of public memories alongside domestic Serbian political reaction By combining news accounts courtroom transcripts online discussions and his own field research Gordy explores how the conflicts and crimes that were committed under Milo evi came to be understood by the people of Serbia and more broadly how projects of transitional justice affect the ways society faces issues of guilt and responsibility In charting the legal political and cultural forces that shape public memory **Guilt Responsibility and Denial** promises to become a standard resource for studies of Serbia as well as the workings of international and domestic justice in dealing with the aftermath of war crimes
