God's Gift of Life Larry F. Beman,Nan Duerling,2013-12-17 Scriptures for the Church Seasons Beyond the Storms Dane S Egli,2014-12-18 This book deals with both actual and potential terrorist attacks on the United States as well as natural disaster preparedness and management in the current era of global climate change The topics of preparedness critical infrastructure investments and risk assessment are covered in detail The author takes the reader beyond counterterrorism statistics better first responder equipment and a fixation on FEMA grant proposals to a holistic analysis and implementation of mitigation response and recovery efforts The recent Oklahoma tornadoes and West Texas storage tank explosion show the unpredictability of disaster patterns and the Boston Marathon bombings expose the difficulty in predicting and preventing attacks Egli makes a compelling case for a culture of resilience by asserting a new focus on interagency collaboration public private partnerships and collective action Building upon the lessons of the 9 11 attacks hurricane Katrina and the Deepwater Horizon oil spill the basic findings are supported by a creative mix of case studies which include superstorm Sandy cascading power outages GPS and other system vulnerabilities and Japan s Fukushima disaster with its sobering aftermath This book will help a new generation of leaders understand the need for smart resilience

Revelation Truth Volume Two Rev. Daniel W. Blair,2015-04-14 As the world races toward the Great Tribulation immorality among the world s leaders increased lawlessness natural disasters and anarchy many voices have flooded the

blogosphere YouTube and the social networks to interpret the times Rev Blair has risen above the unholy chorus to write a series of timeless articles from a biblical perspective to help Christians stand firm in their faith This collection of short articles taken from his two popular websites give practical application prophetic insight and a clear voice to those in power As prophet social activist and pastor Daniel Blair writes each article with compassion and uncompromising biblical truth to prod every Christian to pick up the banner of truth and walk in holiness before the Lord Use as a daily devotional or as a timeless resource during the coming distress In this volume I discuss prophecy in both the Holy Scripture and that for which I have personally received through dreams visions and prophetic insight As we all face uncertain days ahead it s comforting to know that God has already been there and never leaves His children totally in the dark but imparts wisdom to those who are willing to listen

Choice ,2009 Science, Entertainment and Television Documentary Vincent Campbell,2016-05-13 The shift from traditional documentary to factual entertainment television has been the subject of much debate and criticism particularly with regard to the representation of science New types of factual programming that combine documentary techniques with those of entertainment formats such as drama game shows and reality TV have come in for strident criticism Often featuring spectacular visual effects produced by Computer Generated Imagery these programmes blur the boundaries between mainstream science and popular beliefs Through close analysis of programmes across a range of sciences this book explores these issues to see if criticisms of such hybrid programmes as representing the rotting carcass of science TV really are valid Campbell considers if in fact when considered in relation to the principles practices and communication strategies of different sciences these shows can be seen to offer more complex and rich representations that construct sciences as objects of wonder awe and the sublime

Extreme Weather and Global Media Julia Leyda,Diane Negra,2015-06-05 In the two decades bracketing the turn of the millennium large scale weather disasters have been inevitably constructed as media events As such they challenge the meaning of concepts such as identity and citizenship for both locally affected populations and widespread spectator communities This timely collection pinpoints the features of an often overlooked yet rapidly expanding category of global media and analyzes both its forms and functions Specifically contributors argue that the intense promotion and consumption of extreme weather events takes up the slack for

the public conversations society is not having about the environment and the feeling of powerlessness that accompanies the realization that anthropogenic climate change has now reached a point of no return Incorporating a range of case studies of extreme weather mediation in India the UK Germany Sweden the US and Japan and exploring recent and ongoing disasters such as Superstorm Sandy the Fukushima nuclear crisis flooding in Germany and heat waves in the UK Extreme Weather and Global Media generates valuable inquiry into the representational and social characteristics of the new culture of extreme weather
