Student friendly features such as accessibly written explanations, clear learning objectives, the inclusion of tables and diagrams, scaffolding information, case summaries and example answers to legal problems support effective learning. Chapters on tort law in practice and class actions provide context to the understanding of tort law principles. A specific and focused chapter on torts research assists in the development of foundational skills. Features Real world student friendly discussion provides context for the study of tort law. Relevant and current content aligns with current teaching in tort law. Strong pedagogic structure supports learning. Hands on practical approach underpins development of essential legal skills.

Torts Charles A. Palmer, Kathleen Butler, Mark Dotson, 2011 *Duty of Care in the Human Services* Rosemary Kennedy, 2009-11-12 The human services are established to support the most vulnerable and marginalised people in our society. Yet media and other reports frequently highlight a disturbing picture of industry failures, malpractice and abuse. This book addresses the response of legal and quasi legal bodies to human service failures. It outlines those areas of law which are most likely to be activated by human service shortcomings and those aspects of direct human service delivery which are most likely to attract legal attention. Essential reading for those studying or working in human services and social work, this book is designed to alert people to the legal risks arising as a result of inadequate human service delivery.
