Handbook of Research on Corporate Restructuring and Globalization Moreira, Antonio Carrizo,Silva, Pedro,2019-05-31 While acquisitions and expansion strategies are understood as exciting in the business world contraction activities are received less enthusiastically Nevertheless portfolio restructuring constitutes a strategic tool to increase the strategic focus of firms and achieve economies of scale and an efficient control of multiple business units This restructuring thus has distinct implications for companies and units The Handbook of Research on Corporate Restructuring and Globalization provides emerging research on the theoretical infrastructure for portfolio restructuring in a single piece of work and explores important topics in the field including the implications on foreign and domestic units and the degree to which increasing globalization influences restructuring practices Featuring coverage on a broad range of topics such as emerging markets risk assessment and global business this book is ideally designed for corporate managers government officials scholars researchers and students **Organizational Cultures of**

Remembrance Daniel Mai,2015-05-19 In a business world predominantly oriented toward the future it has paradoxically become ever more common that companies turn towards their pasts This book empirically explores the phenomenon of

organizational remembrance from a holistic cultural perspective Based on a twelve month ethnographic case study conducted at the headquarters of the German automobile company AUDI AG this study dissects the relationships between memory identity and image in a corporate setting The greater aim in doing so is twofold First this study examines exactly why and how a company officially manages its past in terms of history and tradition And second this study scrutinizes what effect organizational remembrance has on the workforce how it impacts their collective identification with a corporate community and influences their understanding of their daily working life By investigating the interplay between different stakeholder groups as well as their practices media mental models and other vehicles of remembrance an integrated account is offered which makes sense of the complex cultural forces at work in the corporate handling of the past the present and the future
