This introductory textbook provides a thorough guide to the management of food and beverage outlets from their day to day running through to the wider concerns of the hospitality industry. It explores the broad range of subject areas that encompass the food and beverage market and its main sectors: fast food and casual dining, hotels and quality restaurants and event, industrial and welfare catering. It also looks at some of the important trends affecting the food and beverage industry, covering consumers, the environment and ethical concerns as well as developments in technology. New to this edition: New chapter: Classifying food and drink service operations; New international case studies throughout covering the latest industry developments within a wide range of businesses; Enhanced coverage of financial aspects including forecasting and menu pricing with respective examples of costings; New coverage of contemporary trends including events management, use of technology, use of social media in marketing, customer management and environmental concerns such as sourcing, sustainability and waste management; Updated companion website including new case studies, PowerPoint slides, multiple choice questions, revision notes, true or false questions, short answer questions and new video and web links per chapter. It is illustrated in full colour and contains in chapter activities as well as end of chapter summaries and revision questions to test the readers' knowledge as they progress. Written by a team of authors with many years of industry practice and teaching experience, this book is the ideal guide to the subject for hospitality students and industry practitioners alike. **Cafe**

How's Everything Have you ever wondered why as a waiter or waitress you always ask the question How's everything after serving meals to your customers The How's everything question is asked virtually every time an entree is served So much so that diners tend to ignore it as a serious enquiry 95% of the times you ask the question it is immediately closed by your diner who responds with Fine a mean nothing one syllable word and you walk away This scenario is a crucial lost opportunity for increasing your tip every single time you ask the question By saying How's everything to your diners you are sabotaging all your previous good efforts to obtain a generous tip from your very first meeting with them Why not use this occasion to enhance your chances of a satisfying gratuity not reduce them Follow the strategies outlined in this book and you will increase your tips dramatically at no cost to you It will take only a little extra

thought Accept my challenge to eliminate the How s everything question from your work style and you will immediately realize an increase in income not to mention an increase in job fulfillment Now that s a deal As for your diners Don t worry They will quite happily increase your gratuities provided of course they receive the type of superlative customer service that will make their dining experience much more enjoyable *The Food Lover's Guide to Paris* Helen
