Really Want! Charles Humphrey Muller, 2000-04. *Have Anything You Really Really Want* is a thought-provoking study about the power of positive thinking and the Christian faith. It follows the author's own personal journey of faith and discovery as he details how his Christian faith unleashed a positive power in the attainment of personal, even material goals, including the acquisition of university degrees and a Rolls Royce, but more significantly, in the realisation of far-reaching goals: the discovery of his wife and ultimately the transition from university professor in South Africa to successful hotel owner in Scotland. An important lesson in the experience of mid-life change is seen in the close dependence on God's love and boundless supply for all needs, material and spiritual. From establishing an objective, working out a strategy and using faith and initiative, this detailed thesis explores the essential principles for personal success and achievement and guides the reader step by step through the practical process of attaining his or her goals. In the final analysis, however, it asks whether it is the individual or the invisible hand of Providence which engineers the success, even to the extent of changing one's original goals and changing oneself in the process. Life in the Kingdom, book 1 Steve Husting,2017-11-29 Have you ever asked yourself Is this all there is to being saved Isn't there something more to this Most of us are only being taught half a salvation Jesus views on salvation are quite at odds with the way many of us experience it in our day to day lives Life in the Kingdom is a devotional commentary on living the Christian life as Jesus anticipated it Covering Matthew chapters 1-14 in this volume we begin to see how the many elements of the Christian life are actually building materials for the Kingdom of God We Christians seldom use the phrase Kingdom of God choosing rather to use saved But seeing our salvation in the context of the Kingdom clarifies why we do what we do our position in God's plan of the ages and imparts meaning to us who surrender to it
