The Wallkill Valley in Art and Story (Classic Reprint) Wallkill Valley Farmers' Association, 2015-07-11 Excerpt from The Wallkill Valley in Art and Story Decades pass in rapid succession and the panorama of life yields little of its detail if even its outline to the generation that follows It is but a brief interval since the aboriginal denizens of the forests held unrestricted sway over the mountain fastnesses and intervening valleys of Southeastern New York It has been said that in America our local history has not yet received its full development We have been careless of our traditions monuments and relics which if of a different sort from those of Europe are no less interesting and important to preserve The following pages are too few to make any pretence to being a history of the Wallkill Valley They may serve however to record much that might otherwise pass with the forgotten and unknown and hence are merely offered as a contribution to the growth of local song and story to cling like green vines about the broken fragments of the past The response to former publications of this character has met with such complimentary reception at home and abroad that we are encouraged to add the present volume to those of former years I desire to acknowledge the invaluable co operation and assistance of the many individuals who have contributed in many ways to give this souvenir much of whatever value it may have About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The**

 Stories of God s Own Country And in the main very happy and contented are the favored subjects of this prosperous monarch
 For twenty five fifty and seventy years of experi ence have shown them that he is steady and reli able faithful to those who
 call upon him and never failing those who cultivate him So these subjects with such deviation as national and political
 exigency has prescribed have gone their ways content with present abundance and careless of outside comment have lived
 their lives in their own manner sung their songs and cherished their traditions until modern progress came to the fair
 dominion and knocked at the gate That was the beginning of the new Missouri and the new Kansas Whether it destroyed the
 charm of the older life or by its benefits atoned for the inva sion they may say who will But is it not true that the literature the

 David Allen A Village Tale Then Mr Graham always would wear a white hat with a brim turned up with green beaver Such a
 Queer hat had never before been seen in Greenfield within the memory of man and almost everybody in the village grinned
 and jeered when they first saw this queer hat while the boys hooted and shouted after it and its we arer as they passed
 together along the read And when it was found that in spite of grins and laughter Mr Graham would wear his white and
 green hat his con duct was looked upon as an insult to the taste and good sense of all Greenfield so of course the villagers

took offence at this There was another cause for the ill will of the youths and boys of the village to this gentleman Before he had bought and built upon the six acre meadow it had been their regular play ground and they did not see what right Mr Graham or any other Mister or Master had to deprive them of it To begin the story again therefore the dozen or more boys who on that fine spring evening were playing and romping in front of the new house seemed highly delighted to find that Mr Graham showed signs of being annoyed Boys shouted the gentleman throwing up the drawing room window before he spoke go farther off boys You have no business to make such an uproar before any person s dwelling Shan t go for you drawled out a big boy from the crowd of smaller ones you can t hinder us from playing here as long as we like About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
