Tornado Hunter Getting Inside The Most Violent Storms On Earth:

Tornado Hunter Stefan Bechtel, Tim Samaras, 2009 METEOROLOGY With climate change and global warming creating more frequent and more violent storms there is a huge readership for weather disasters such as hurricanes and tornadoes This book will appeal to the audience for the bestseller Perfect Storm This page turning story of tornado chaser and National Geographic grantee Tim Samaras opens with a chilling play by play description of the F5 tornado that wiped off the map the town of Manchester North Dakota on June 24 2003 Stefan Bechtel author of the acclaimed Roar of the Heavens teams with Samaras to reveal the heart and people of the town the terror of the descending funnel Samaras fearless chase to the tornado's core and the ingenious equipment he masterminded to record the inner workings of a tornado to aid in future detection avoidance and destruction

Can You Survive Storm Chasing? Elizabeth Raum, 2012 You're a meteorology student fascinated by storms But Mother Nature can be unpredictable Situations can quickly turn deadly when extreme weather is involved What do you do when You're in a van full of people and a tornado suddenly appears to be headed right for you A hurricane gains strength along the Florida coast but you're unable to convince people to leave their homes A flash flood suddenly strikes putting you and your friends and family in mortal danger Experience the life or death dilemmas that face storm chasers YOU CHOOSE what you'll do next The choices you make will either lead you to safety or to doom *Tornado God* Peter J. Thuesen, 2020 One of the earliest sources of humanity's religious impulse was severe weather which ancient peoples attributed to the wrath of storm gods Enlightenment thinkers derided such beliefs as superstition but in America scientific and theological hubris came face to face with the tornado nature's most violent windstorm In this groundbreaking history Peter J. Thuesen traces the primal connections between weather and religion in the United States He shows that tornadoes and other storms have repeatedly drawn Americans into the profoundest of religious mysteries and confronted them with the question of their own destiny how much is self-determined and how much is beyond human understanding or control

Storm John Withington, 2016-09-15 Gales cyclones blizzards tornados and hurricanes few things demonstrate the awesome power of nature like a good storm Devastating diverse and sometimes appearing completely out of nowhere storms are also a source of both scientific and aesthetic wonder In this book John Withington takes an in depth and unique look at the nature of storms and the impact that they have both physical and cultural on our lives Withington shows how storms have changed the course of human history From Roman times to the modern day he shows how their devastating effects have wiped out entire communities changed the fates of battle and even reset the entire planet He also shows how beneficial they have been to us as an important feature of our atmosphere and climate but also as a source of inspiration for nearly every artist who has ever lived from Homer to Rembrandt in works from the Old Testament to Robinson Crusoe Beautifully illustrated this book offers a fascinating look at Earth's most fearsome events *School Library Journal*, 2009 **Library Journal**, 2009 **Into the Storm** Reed Timmer, 2010 A storm chaser featured on the popular Discovery Channel show
