Walking On Alligators A Book Of Meditations For Writers:

Walking on Alligators Susan Shaughnessy, 1993-03-19 A daily motivator for people who write and for all those who long to write providing an insistent wake up call for the creative urge with insights on how to work against resistance live with the loneliness develop discipline and dare to take deeper risks in their work **The Writer's Book of Hope** Ralph

Keyes, 2003-10-01 In 1889 the editor of the San Francisco Examiner having accepted an article from Rudyard Kipling informed the author that he should not bother to submit any more This isn't a kindergarten for amateur writers the editor wrote I'm sorry Mr Kipling but you just don't know how to use the English language A century later John Grisham was turned down by sixteen agents before he found representation and it was only after Hollywood showed an interest in The Firm that publishers began to take him seriously The anxiety of rejection is an inevitable part of any writer's development In this book Ralph Keyes turns his attention from the difficulty of putting pen to paper the subject of his acclaimed The Courage to Write to the frustration of getting the product to the public Inspiration isn't nearly as important to the successful writer he argues as tenacity and he offers concrete ways to manage the struggle to publish Drawing on his long experience as a writer and teacher of writing Keyes provides new insight into the mind set of publishers the value of an agent and the importance of encouragement and hope to the act of authorial creation **The Courage to Write** Ralph Keyes, 2003-10-01

The Courage to Write is an invaluable book and essential reading for anyone who wishes to learn how to write well Katherine Anne Porter called courage the first essential for a writer I have to talk myself into bravery with every sentence agreed Cynthia Ozick sometimes every syllable E B White said he admired anyone who has the guts to write anything at all An author who has taught writing for more than thirty years In The Courage to Write Ralph Keyes an author who has taught writing for more than thirty years assures us that anxiety is felt by writers at every level especially when they dare to do their best He describes the sequence of courage points through which all writers must pass from the challenge of identifying a worthwhile project to the mixture of pride and panic they feel when examining a newly published book or article Keyes also offers specifics on how to root out dread of public performance and of the judgment of family and friends make the best use of writers workshops and conferences and handle criticism of works in progress Throughout he includes the comments of many accomplished writers Pat Conroy Amy Tan Rita Dove Isabel Allende and others on how they transcended their own fears to produce great works **The 12 Secrets of Highly Successful Women** Gail McMeekin, 2011-07-15

The author of The 12 Secrets of Highly Creative Women shares life changing strategies for success based on inspiring true stories The founder of Creative Success LLC Gail McMeekin has helped clients all over the world reach their goals and transform their lives Following her popular book The 12 Secrets of Highly Creative Women McMeekin now reveals how creative women entrepreneurs and business leaders have used proven strategies to succeed We all have the software to be creative but many of us have been shamed or criticized leaving our creative sparks smoldering beneath layers of fear and self doubt McMeekin

helps you blast through those layers to reconnect with your creative potential McMeekin interviews thirty one of today's most successful women integrating their insights with her own proven success strategies to help you get onto the road to success
