Transatlantic Trade and Investment Partnership Sidney E. Dean, 2013-09-23 The United States and the European Union have agreed to negotiate a free trade accord which would bring both sides of the Transatlantic community much closer economically but also politically The Transatlantic Trade and Investment Partnership is expected to act as a job creation and prosperity engine say its proponents Are there any negative side effects Experts and policymakers weigh in These analyses were originally presented as expert testimony before Congress *Transatlantic Trade and Investment Partnership. TTIP's role in terms of politics, security, and defense* Jessica Niedermeier, 2024-02-01 Seminar paper from the year 2023 in the subject Economics International Economic Relations grade 1 3 University of Applied Management course Global Economics language English abstract What positive impact does TTIP have on policy defense and security Observing the humanitarian crisis in Venezuela the political instabilities in African nations such as Syria Iraq and Libya the war in Yemen and the terrorism in Afghanistan caused by the Taliban shows that the world is currently facing security challenges Above all the Ukraine war which began with Russia's invasion on February 24 the crisis in North Korea and the confrontation over the Taiwan issue are of particular concern In addition there are other political uncertainties According to the Council on Foreign Relations 70 8 million people are displaced due to the war This migration crisis is an issue that the EU and the US especially have to deal with Furthermore the global Covid 19 pandemic has been on the agenda since 2020 Accordingly both military and health risks exist This chapter focuses on the transatlantic trade and investment partnership TTIP and its impact on security The TTIP negotiations between the EU and the USA reached a standstill at the end of 2016 Despite the possibility that the treaty would enable the two powerful economic nations to develop further and strengthen their ties Furthermore the agreement aimed to create up to 13 million new jobs Nevertheless the TTIP negotiations are gaining traction due to global circumstances As already explained many skeptics such as charities environmentalists and NGOs for instance strongly criticize the agreement There have also been some large scale demonstrations in European countries Nevertheless TTIP also has benefits especially concerning the economy

First Among Equals Emma Ashford,2025-08-26 A fresh concise roadmap for U S grand strategy in a multipolar world For the past thirty years post Cold War triumphalism and a

desire to reshape the world have defined U S foreign policy But the failures of the global war on terror the return of conflict to Europe and growing tensions with China all suggest that this approach to the world is flawed For the United States the country that has ruled the international system largely alone since 1991 this moment is particularly perilous Can policymakers adapt American foreign policy to better fit the twenty first century and in doing so avoid the pitfalls and excesses of the past three decades In this book Emma Ashford proposes a return to a more pragmatic realist set of strategic principles ones better suited for the emerging multipolar world that would pursue narrower U S interests cultivate the capabilities of friendly states and emphasize room for maneuver over rigid alliances In this she provides a valuable counterpoint to today s liberal internationalist consensus as well as a road map for policymakers who seek to change the course of U S foreign policy
