Transformative Dimensions Of Adult Learning:

Transformative Dimensions of Adult Learning Jack Mezirow, 1991-05-07 Transformative Dimensions of Adult Learning describes the dynamics of how adults learn and how their perceptions are transformed by learning as a framework for formulating educational theory and practice It presents an in depth analysis of the ways in which adults learn how they make meaning of the learning experience and how their lives can be transformed by it *Learning as Transformation* Jack Mezirow, 2000-10-05 Provocative and illuminating this book is a must read for adult educators seeking to understand and facilitate transformational learning It showcases a stellar group of authors who not only engage each other and the reader in constructive discourse but who also model the heart of the transformational learning process Sharan B Merriam Department of Adult Education University of Georgia This volume continues the landmark work begun by Jack Mezirow over twenty years ago revealing the impact of transformative learning on the theory and practice of adult education Top scholars and practitioners review the core principles of transformation theory analyze the process of transformative learning describe different types of learning and learners suggest key conditions for socially responsible learning explore group and organizational learning and present revelations from the latest research They also share real world examples drawn from their own experiences and assess the evolution of transformative learning in practice and philosophy *Learning as Transformation* presents an intimate portrait of a powerful learning concept and invites educators researchers and scholars to consider the implications of transformative learning in their own professional work **The Power of Life Coaching, Abridged Edition** Holley Swanson Clough, 2021-01-21 University adult programs are recruiting and retaining the fastest growing student segment in higher education Yet two of the biggest challenges faced by organizations today are declining enrollment and decreasing retention rates In this time of globalization artificial intelligence and shifting consumer preferences it is not business or education as usual The leading challenges faced by business and education sectors both are a declining workforce and enrollment retention rates Organizations comprised of adult learners need to adapt to accommodate this complex population The updated Power of Life Coaching offers a how to guide for business owners organizational leaders human resource development personnel as well as enrollment personnel seeking to address these challenges while transforming the lives of those they lead and serve along the way Comparative research contrasting key missional alignment indicators determined that life coaching has the most significant transformational impact on adult learners lives In response this ethical coaching model was developed based on adult experiential learning and values based institutional assessment all in alignment with the International Coach Federation s ethically founded competencies This text is theoretically based delivering a coaching technique for adult learner satisfaction leading to increased retention rates The Power of Life Coaching is a manual for assisting personnel and teams to fully embrace and live out their mission and values

Handbook of Reflection and Reflective Inquiry Nona Lyons, 2010-04-07 Philosophers have warned of the perils of a

life spent without reflection but what constitutes reflective inquiry and why it is necessary in our lives can be an elusive concept Synthesizing ideas from minds as diverse as John Dewey and Paulo Freire the Handbook of Reflection and Reflective Inquiry presents reflective thought in its most vital aspects not as a fanciful or nostalgic exercise but as a powerful means of seeing familiar events anew encouraging critical thinking and crucial insight teaching and learning In its opening pages two seasoned educators Maxine Greene and Lee Shulman discuss reflective inquiry as a form of active attention Thoreau's wide awakeness an act of consciousness and a process by which people can understand themselves their work particularly in the form of life projects and others Building on this foundation the Handbook analyzes through the work of 40 internationally oriented authors Definitional issues concerning reflection what it is and is not Worldwide social and moral conditions contributing to the growing interest in reflective inquiry in professional education Reflection as promoted across professional educational domains including K 12 education teacher education occupational therapy and the law Methods of facilitating and scaffolding reflective engagement Current pedagogical and research practices in reflection Approaches to assessing reflective inquiry Educators across the professions as well as adult educators counselors and psychologists and curriculum developers concerned with adult learning will find the Handbook of Reflection and Reflective Inquiry an invaluable teaching tool for challenging times

The Handbook of Transformative Learning Edward W. Taylor, Patricia Cranton, 2012-04-06 The Handbook of Transformative Learning The leading resource for the field this handbook provides a comprehensive and critical review of more than three decades of theory development research and practice in transformative learning The starting place for understanding and fostering transformative learning as well as diving deeper the volume distinguishes transformative learning from other forms of learning explores future perspectives and is designed for scholars students and practitioners PRAISE FOR THE HANDBOOK OF TRANSFORMATIVE LEARNING This book will be of inestimable value to students and scholars of learning irrespective of whether or not their emphasis is on transformative learning It should find its way to the reference bookshelves of every academic library focusing on education teaching learning or the care professions PETER JARVIS professor of continuing education University of Surrey Can there be a coherent theory of transformative learning Perhaps This handbook goes a long way to answering this question by offering a kaleidoscope of perspectives including non Western that consider the meaning and practice of transformative learning SHAUNA BUTTERWICK associate professor University of British Columbia This handbook will be valuable and accessible to both scholars and practitioners who are new to the study of adult education and transformative learning and to more seasoned scholars who seek a sophisticated analysis of the state of transformative learning thirty years after Mezirow first shared his version of a then fledgling theory of adult learning JOVITA ROSS GORDON professor and program coordinator MA in Adult Education Texas State University **Transforming Ministry Formation** Hahnenberg, Edward P., Jewell, Marti R., Whapham, Theodore James, 2021 A theological and practical exploration of ministry formation in the church today Boundaries of Adult

Learning Richard Edwards, Ann Hanson, Peter Raggatt, 2013-09-13 Until relatively recently adult learning in the UK was largely recognised as being situated mainly within the LEA adult education centre university extra mural departments and the WEA. However this picture has changed. The major change has been a shift from education to learning as the key organising concept. A greater range of settings are now recognised as sites producing learning and alongside this has grown a debate about the purpose and form of study within adult learning. This has led people to question both the concept of adult learning and the boundaries of its provision. This book reviews and assesses the changes which are taking place. It explores the disputes surrounding adult learning discussing how boundaries have blurred thereby creating new opportunities such as APL and credit transfer and including a significantly wider range of activities within the definition of learning. It also assesses the extent to which despite the changes in boundaries inequalities in learning opportunities still persist. *Assessing and Evaluating Adult Learning in Career and Technical Education* Wang, Viktor, 2010-07-31 This book advances a framework a process and meaningful approaches for assessing and evaluating adult learning in career and technical education CTE. Provided by publisher. *Handbook of Research on Teaching and Learning in K-20 Education* Wang, Viktor, 2013-06-30 While the general agreement in education remains that the more senses involved in learning the better we learn the question still remains as to the distinction between the education of children and the education of adults. *Handbook of Research on Teaching and Learning in K-20 Education* provides well rounded research in providing teaching and learning theories that can be applied to both adults and children while acknowledging the difference between both. This book serves as a comprehensive collection of expertise research skill and experiences which will be useful to educators scholars and practitioners in the K-12 education higher education and adult education field. *The Jossey-Bass Reader on Contemporary Issues in Adult Education* Sharan B. Merriam, André P. Grace, 2011-04-05 THE JOSSEY BASS READER ON Contemporary Issues in Adult Education With contributions from leading experts in the field The Jossey Bass Reader on Contemporary Issues in Adult Education collects in one volume the best previously published literature on the issues and trends affecting adult education today. The volume includes influential pieces from foundational authors in the profession such as Eduard C Lindeman Alain Locke and Paulo Freire as well as current work from authors around the world including Laura L Bierema John M Dirkx Cecilia Amaluís Fiallos Peter Jarvis Michael Newman and Shirley Walters. In five sections the book's thirty chapters delve into a wide range of compelling topics including social justice democracy and activism diversity and marginalization human resource development lifelong learning ethical issues the meaning and role of emotions globalization and non-Western perspectives the role of mass media popular culture and social learning technology health welfare and environment. Each piece is framed within its larger context by the editors and each section is accompanied by helpful reflection and discussion questions.
