

The background of the entire cover is a painting of a small, white, single-story church with a dark, pointed steeple. The church is situated in a green field with a few trees in the background. The sky is a pale, textured blue. The overall style is reminiscent of a classic oil painting.

Bernard Young, Sr., 2012-10-25 This book is a written format of great concern that deals with the generational gaps that exist in our churches If you are a pastor lay member or general member this book is for you With all of the generational differences we have we can come together as one and become a church of unity that God has designed In *Bridging The Gap* it states the facts about how we can get on one accord and have all things common If you are tired of your church dying due to a lack of vision and mission *Bridging The Gap* helps deals with these subjects *Confessions of a Small Town Minister* David John Ford, 2014-12-15 Ministry in a small town or rural context is challenging The minister and his or her family live in a fishbowl with every aspect of life under constant scrutiny In addition few seminaries or Christian colleges and universities offer courses preparing people for small town ministry Throw in limited resources and small town politics and you might begin to understand the struggle of Ben Wright minister in Madison Montana In a last ditch effort to find help before he quits ministry altogether Ben solicits the advice of another minister the aged and experienced Kain Hoddiss Ben and Kain undertake a journey of discovery as together they explore the joys and struggles of small town ministry **Baptized with the Soil** Kevin M. Lowe, 2016 In

the early twentieth century many Americans were troubled by the way agriculture was becoming increasingly industrial and corporate Mainline Protestant churches and cooperative organizations began to come together to promote agrarianism the belief that the health of the nation depended on small rural communities and family farms In *Baptized with the Soil* Kevin M Lowe offers for the first time a comprehensive history of the Protestant commitment to rural America Christian agrarians believed that farming was the most moral way of life and a means for people to serve God by taking care of the earth that God created When the Great Depression hit Christian agrarians worked harder to keep small farmers on the land They formed alliances with state universities cooperative extension services and each other's denominations They experimented with ways of revitalizing rural church life including new worship services like Rural Life Sunday and new strategies for raising financial support like the Lord's Acre Because they believed that the earth was holy Christian agrarians also became leaders in promoting soil conservation Decades before the environmental movement they inspired an ethic of environmental stewardship in their congregations They may not have been able to prevent the spread of industrial agribusiness but their ideas have helped define significant and long lasting currents in American culture *Christian Education* Freddy Cardoza, 2019-11-05 This introductory textbook solidly situates Christian education in the church and ministry context of the 21st century With over 20 years of ministry teaching and leadership experience Freddy Cardoza is uniquely qualified to bring together a wide range of Christian educators This volume features the expertise of 25 evangelical scholars of Christian education including diverse next generation voices in the field It provides balanced biblical theological and practical perspectives for church and parachurch leaders equipping them to meet the ever changing needs of our world Additional resources for professors and students are available through Textbook eSources **Inevitable Relationship Success** Shannon O'Dell, 2016-08-09 Inevitable is a handbook for anyone who wants to know what a successful relationship looks like Let God unleash a groundswell of relational revival in your life Come feast at fifteen tables of Christ's love and then get equipped to serve and invite others to feast at it as well You will be swept up in a supernatural inertia as the seeds of biblical truth are planted in your mind sweeping favor through your relationships *The Rural Pastor* H. Andy Wiebe, 2015-11-07 Most churches are small with less than one hundred in attendance each Sunday Many of these are in the rural parts of the country in small villages or counties many miles away from the city These rural churches are served by pastors who are working hard and serving God and their church with all their heart This book is meant to encourage rural pastors as they serve in the out of way places as well as help others see the value and importance of these rural pastors *Rural America* Caroline S. Kelsohn, 2002 Thomas Jefferson once envisioned the United States as a nation of yeomen farmers Looking around today however illustrates that nothing could be further from the truth In a globalised world and techno centred society urban sprawl is overtaking rural America For over a century farming was the backbone of the American economy and though it is still critical to American productivity many rural areas are plagued by poverty and job reduction Agricultural issues have a

hold over national politics as in the debates over farm subsidies but they cannot change several significant trends in America today the movement toward fewer and larger farms environmental pressures from urban and suburban interests and changing food consumption patterns In order to assist the remaining yeomen farmers a comprehensive and integrated agricultural policy must be initiated to sustain the nation s farming communities This book analyses the status of the farm industry in rural America providing a historical context for agriculture and assessing its future for the nation and the information provided in this book is necessary to understanding the nature of what has historically been a key component of American industry and life
