Transition Now Lee (Kryon) Carroll, Pepper Lewis, Patricia Cori, 2010-03-01 Spiritual seekers everywhere know it the world is changing rapidly The old rules don't apply The more open we are to guidance the more guidance will come to us The guidance in this book teaches us how to recognize the interdimensional energies in our 3D world As governments shift economies are pruned and systems fail here are hopeful instructions for how celebrate the failure of the old as it makes way for the new how to balance our energy and that of the planet and how to meet the future which is now *Solutions for a Small Planet, Volume 2* Pepper Lewis, 2010-06-01 We collective humanity are one of Earth's resources We cycle and recycle ourselves through lifetimes upon Earth learning sharing and contributing to Earth in a variety of ways Gaia truly benefits from our company and her sentience enjoys the varied history we have shared with the planet That being said this is a time of great change for humanity and for Earth We are on the cusp of a New Age and time is running out on our present soon to be recent past age Gaia cannot offer us complete solutions to our difficulties and dilemmas but she can instill within us the knowingness to see through our predicaments to solve the puzzles of our time *Finding the Lost UNIVERSAL PRINCIPLES* Universal Principles Patricia Pillard McCulley, 2010 Do you ever have questions about life such as why doesn't it seem to make sense Or have you ever wondered why things happen as they do Do you ever ask what is life really about Perhaps life is like a game but we don't know the rules and we don't know how to win What if we are all playing the same game of life but on different levels Is the game we play competing with others or only with ourselves Is life to be considered as play rather than the heavy drama it seems sometimes What are the rules and how do we discover them Universal Principles and Spiritual Truths answer these questions They always were are and forever will be They are unchangeable and a solid foundation on which to build your life Why The Three Little Pigs You'll have to read the book to discover the secrets they unlock that have been lost for over 100 years **Solutions for a Small Planet, Volume Two** Pepper Lewis, 2010-06-01 The author of Dragons and Chariots and the four Ra Books shares his thirty year adventure as a Federation telepath and the wisdom brought to Earth through his telepathic connections *Gaia Speaks* Pepper Lewis, 2005-07-01 Welcome to your book I can assure you that your copy is unique and original In fact it has been written with you in mind and has been specifically dedicated to you I am the nonphysical sentience of this planet simply put I am the planet Earth I am the body and the soul of the planet you currently inhabit My sentience guides and enlivens all that surrounds the planet as well as all that is upon and within her My sentience animates the air you breathe the energy you burn and the water you drink My sentience the most aware advanced and attuned aspect of my being is that which directs these words Although many believe in a sentient or feeling Earth not all are attuned to her Channeling offers a unique advantage in this respect because it allows the transmission of vibrations and impressions to be communicated as language Today two priorities guide my sentience The first is to erase the perception of separation that seems to threaten the planet The second priority is to awaken and expand

the collective consciousness It is my hope that you will find my message meaningful and that you will continue to develop an appreciation for who and what you are Gaia **Solutions for a Small Planet** Pepper Lewis,2010-06-01 A fascinating exploration of one hundred forms of crystals describing specific uses and their purpose from the spiritual to the cellular as agents of change It clarifies the role of crystals in our awakening Crystals are ensouled Those souls of the mineral kingdom want to work with you and Earth to help you reach your full potential now as evolution accelerates Each crystal makes its own unique contribution as a teacher From the regal amethyst and friendly boji stone to the multitalented quartz and powerful emerald the mineral world can open doors to experiences that change your life Crystals are masters of using light They can help you get in touch with your roots in the Earth as well as your higher self and other spiritual beings Learn to work with crystals This book contains newly channeled information to teach you how to become partners with your mineral guides They can show you how to use light for healing enlightenment and transformation to create a better life *Awaken* Rosalie Deer Heart,2011-07-21 This book contains recent research about love and the hearts connection to the spiritual journey and healing specific strategies that focus your creativity and spirituality to increase your healing capacities proven methods to align your life with your soul purpose and to empower you to move beyond ego into the essence of who you truly are activities to help you consciously access your intuition and receive specific guidance to empower your goals information about past life times karma and the akashic records to empower you to deepen into your multidimensional nature and experience increased emotional mental and spiritual freedom exercises to help you experience more depth intimacy connection with your soul and joy The Seasons of Change Carol L.
