Transnational Social Support Routledge Studies In Health And Social Welfare:

Transnational Social Support Adrienne Chambon, Wolfgang Schröer, Cornelia Schweppe, 2013-06-17 In the context of ever increasing globalization transnational systems of support have emerged in response to the needs of transnational families labour forces and the communities within which they are located This volume will be the first to systematically address transnational support research from a theoretical and empirical perspective making the concept of transnationality part of the core knowledge structure of social work *Handbook on Society and Social Policy* Nicholas Ellison, Tina Haux, 2020-07-31 This comprehensive Handbook provides a unique overview of the key issues and challenges facing society and social policy in the twenty first century discussing how welfare is conceptualised organised and delivered in contemporary global society Chapters engage with specific areas of social policy as well as with the social divisions and institutional infrastructures that underpin them The Handbook also considers how social policy should respond to the challenges posed by austerity human migration and the climate crisis *Comprehensive Care for HIV/AIDS* Teresa L. Scheid, 2014-08-07 A comprehensive health care system consists of services that are coordinated and integrated along the full continuum of care For HIV patients this includes physical health care infectious disease management crisis care mental health care substance abuse counseling and social support services including housing transportation subsistence and supports for dealing with multiple sources of stigma This book highlights the dilemmas faced in providing comprehensive integrated care to individuals living with HIV providing both an understanding of existing efforts to integrate diverse systems of care as well as insight into ways in which systems of care must be challenged in order to meet the needs of people living with HIV Comprehensive Care for HIV AIDS is the result of collaborative work with the county Health Department numerous community based organizations and several planning boards in a metropolitan area which have sought to provide integrated care to people living with HIV It will be a valuable resource to the diverse community of HIV researchers advocates and providers *Social Work in Ireland* Alastair Christie, Brid Featherstone, Suzanne Quin, Trish Walsh, 2020-05-31 During a period of great economic and political change and uncertainty this book offers a timely evaluation of social work in Ireland Social Work in Ireland Changes and Continuities has brought together a range of academics and professionals to provide a comprehensive analysis of social work in the Republic of Ireland It addresses key questions such as How is social work in Ireland responding to rapidly changing social cultural and economic circumstances How will the new relationships between the state NGO private sectors impact on the provision of social services and How does and will social work respond to the needs of specific service user groups In addressing these questions the book explores key areas of practice including child welfare domestic violence mental health working with migrants and minority ethnic groups substance misuse probation services and work with older people and people with a disability This book is an essential read for students of social work and social care in Ireland and will also be of great interest to qualified practitioners in both the social work field and other social

care professions **Handbook on Transnationalism** Yeoh, Brenda S.A., Collins, Francis L., 2022-01-18 Providing a critical overview of transnationalism as a concept this Handbook looks at its growing influence in an era of high speed globalised interconnectivity It offers crucial insights on how approaches to transnationalism have altered how we think about social life from the family to the nation state whilst also challenging the predominance of methodologically nationalist analyses

Social Work and Mental Health Jill Childs, 2025-10-25 This groundbreaking book offers a critical global perspective on mental health social work aimed at both pre and post qualifying students Moving beyond basic introductions it presents a decolonised holistic approach that challenges traditional models By incorporating innovative ideas and indigenized practices it seeks to transform mental health social work Essential for future practitioners this text inspires a new vision for the field making it a must read for those committed to advancing mental health social work **Social Work, Social Welfare, and Social Development in Nigeria** Mel Gray, Solomon Amadasun, 2023-05-23 This groundbreaking book provides a comprehensive account of social work social welfare and social development in Nigeria from a postcolonial perspective It examines the historical development of social work and social welfare and the colonial legacies affecting contemporary social welfare provision development planning social work practice and social work education Against this historical backdrop it seeks to understand the position of social work within Nigeria s minimalist structure of welfare provision and the reasons why social work struggles for legitimacy and recognition today It covers contexts of social work practice including child welfare juvenile justice disabilities mental health and ageing as well as areas of development related problems and humanitarian assistance as new areas of practice for social workers including internally displaced and trafficked people and their impact on women and children It seeks to understand Nigeria s ethnoreligious diversity and indigenous cultural heritage to inform culturally appropriate social work practice This book offers a global audience insight into Nigeria s developmental issues and problems and a local audience social science and human service researchers educators practitioners students and policymakers a glimpse of what s possible when people work together toward a common goal It will be of interest to all scholars and students of social work development studies and social policy *Navigating Human Service Organizations* Rich Furman, Margaret Gibelman, Ren Winnett, 2020-07-31 Since its very inception social work has been considered an organizationally based profession with the majority of its workforce employed within formal organizations Whether in nonprofit for profit or governmental agencies the practical realities of human service organizations are a central element of professional social work This book explores the climate and culture of these agencies and provides essential information for surviving and thriving in this setting It prepares students for their future careers so that they will feel empowered in their work and be able to fulfill their responsibilities toward organizational community and social change Using real life examples the authors examine the internal structures of management financing and supervision and discuss common conflicts between agencies and professionals The book s straightforward tone and practical advice make it an asset

to anyone entering human service organizations Handbook on Austerity, Populism and the Welfare State Bent Greve, 2021-05-28 This innovative Handbook presents the core concepts associated with austerity retrenchment and populism and explores how they can be used to analyse developments in different welfare states and in specific social policies Leading experts highlight how these concepts have influenced and changed welfare states around the globe and impacted specific areas including pensions long term care the labour market taxation social activism and gender equality **Welfare Research** Fiona Williams, Jennie Popay, Ann Oakley, 1999 This title available in eBook format Click here for more information Visit our eBookstore at www.ebookstore.tandf.co.uk **Navigating Human Services Organizations** Rich Furman, Margaret Gibelman, Ren Winnett, 2020 It has been 17 years since the first edition of Navigating Human Service Organizations Navigating was published and about twenty years since the Margaret Gibelman began working on a unique and engaging textbook that has been used in many dozens of classrooms I did not participate in the initial writing of the book I joined the project later Yet shortly after it was released I reviewed it for possible adoption for a practice class so can semi dispassionately reflect upon the initial notes I made about the latest book of the director of the doctoral program from which I graduated *Development and Social Policy* Christian Aspalter, Kenny Teguh Pribadi, 2016-12-19 In recent years government and policymakers around the world have shifted their attention away from money oriented supply side economics to institutional economics and people oriented social and economic development Issues such as poverty reduction win win solutions and strategies in social policy and their implementation universalization and a variety of new large scale conditional cash transfers programs have become ever present in the global discussion about development and social policy This book provides win win strategies for social policies on the ground as developed and put forward by the normative theoretical paradigm of Developmental Social Policy DSP Taking the state of the art general development theory as a starting point of reference and discussion it goes on to discuss in detail the key win win strategies that form the basis and core of the DSP paradigm It examines key related issues such as the performance of provident fund systems the performance of conditional cash transfer systems especially their elements that are based on asset and means testing universalism and extension in social security provision in the context of especially developing countries and non economically targeted social welfare benefits and services Providing fully fledged theoretical guidance paired with key social policy strategies and solutions it will be highly valuable for students and scholars of social policy development studies and Asia Pacific studies

International Health Care Reform Colleen M. Flood, 2000 This volume examines the two models of health care reform managed competition and internal markets that are increasingly becoming the dominant paradigm in European and North American policy *Globalization and the Health of Indigenous Peoples* Ahsan Ullah, 2016-11-18 In 70 countries worldwide there is an estimated 370 million indigenous peoples and their rich diversity of cultures religions traditions languages and histories has been significant source of our scholarships However the health status of this population group is far below than

that of non indigenous populations by all standards Could the persisting reluctance to understand the influence of self governance globalization and social determinants of health in the lives of these people be deemed as a contributor to the poor health of indigenous peoples Within this volume Ullah explores the gap in health status between indigenous and non indigenous peoples by providing a comparative assessment of socio economic and health indicators for indigenous peoples government policies and the ways in which indigenous peoples have been resisting and adapting to state policies A timely book for a growing field of study Globalization and the Health of Indigenous Peoples is a must read for academics policy makers and practitioners who are interested in indigenous studies and in understanding the role that globalization plays for the improvement of indigenous peoples health across the world Seen, Heard and Counted Shahra Razavi,2012-03-06 Contributors analyze the care economy in the developing world at a moment when existing systems are under strain and new ideas are coming into focus Offers the first global regionally diverse study of the invisible economy of care including case studies from diverse regional contexts of Africa Asia and Latin America Frames the debate on care and highlights policy experimentation and ideas currently in flux Includes new research and data on developing countries showing how where care options for the socially disadvantaged are limited failing to socialize the costs of care exacerbates existing inequalities Comes at a moment when if not yet marked by a generalized care crisis the world s existing systems are under strain and in need of rethinking Features introductory chapters that set out the conceptual framework and findings on individual country studies and a concluding chapter that draws out the transnational dimensions of care **Aging within Transnational Families** Vincent Horn,2019-03-15 Aging within Transnational Families is the first book to provide a multi method approach to studying aging across borders By asking how why and to what extent do older Peruvians engage in transnational family ties and practices the book enhances our knowledge about aging across borders Drawing on the care circulation framework and the capacity and desire approach it explores the motivations of older Peruvians transnational involvement as well as the factors influencing the scope and propensity of their cross border practices From a lifecourse perspective the book asks how age relates to older Peruvian migrants integration into the host society and engagement in the sending of remittances and visits of family members in Peru Exploring the prevalence and structuring features of family related transnational practices against the backdrop of different migration regimes Aging within Transnational Families shows how policies affect transnational family configurations and the role of older people within them *Encyclopedia of Social Work* ,1965 The Populist Radical Right and Health Michelle Falkenbach,Scott L. Greer,2021-09-07 This contributed volume is the first in depth analysis of the health policies of populist radical right PRR parties worldwide and their actual involvement in health care The prominence of authoritarian nationalistic and populist parties is expanding steadily However it is often difficult to discern what kind of policies they really stand for particularly with regard to the welfare state and public health where research remains sparse This book fills this critical gap The text connects PRR parties and leaders with actual health and

social policy effects in Eastern and Western Europe as well as in the United States Brazil and the Philippines The chapters highlight ten individual country case studies authored by young scholars and professors with political science and health experts The Austrian Freedom Party in Government A Threat to Public Health The Alternative for Germany AfD and Health Policy Normalization or Containment of Populist Radical Right Tendencies Populist Radical Right Influence on Health Policy in the Netherlands The Case of the Party for Freedom PVV The Evolution of the Populist Radical Right and Their Impact on Health in Italy The Populist Radical Right and Health in Hungary Is the Polish Law and Justice PiS a Typical Populist Radical Right Party A Health Policy Perspective The Case of the United Kingdom Independence Party UKIP Rhetoric and Reality in the United States of America Trump Populism and Health Policy Ruling Through Chaos in Brazil Bolsonaro s Authoritarian Agenda for Public Health An Authoritarian Reaction to COVID 19 in the Philippines A Strong Commitment to Universal Health Care Combined with Violent Securitization The Populist Radical Right and Health is exceptionally timely and essential reading for political science and health colleagues researching and writing about PRR parties and leaders students and faculty in public health health and social policy and political science and anyone interested in learning more about this topic

Ecosocial Work and Sustainability Transitions Koen Hermans,Ingo Stamm,Aila-Leena Matthies,Susanne Elsen,2025-10-21 Sustainable development and ecosocial work have become one of the most dynamic global debates of the social work profession How can social work contribute to the sustainability transitions of European societies Bringing together a diverse group of researchers from around the world this book offers an analysis of the main theoretical insights on ecosocial work the contribution of social work research to transdisciplinary research on sustainability and how social workers can already bring the ecological dimension into their daily practice Incorporating new research evidence from the ASTRA project the wide range of contributors dive deep into the theoretical and methodological underpinnings of ecosocial work providing valuable insights for researchers students activists and practitioners
