Treasures Morning Messages:

Good Morning Message Peggy Edwards, 2010-08 This daily devotional book has been a God led inspiration from its very start up from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I've had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I'm led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn't include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you Morning Messages Emma Gruzlewski, 2014-09-25 What began as morning messages channeled from above and texted to loved ones now form the foundation of author Emma Gruzlewski's first book Morning Messages It offers bite size motivating thoughts inspirations and tidbits helping you to focus each day on appreciating life and all that it offers Each message holds a power of its own and encourages you to reflect on your blessings every single day of the year It offers space for reflection and for recording important people events dates and treasured keepsakes Supplying positive bursts of angelically inspired motivation Morning Messages helps add a little openness to the day by allowing the heavenly energy of consciousness to carry us January 1 With this gift of a brand new year open your heart to endless possibilities Angels always hold your hand so fear will never dissuade you Live free dance wildly and always laugh from your belly Share this joy of being you and help others see the way March 30 Morning smells of fresh tea and coffee take the mind to a lovely place Inhale and be grateful for such simple gifts as these **The Divine Feminine Collective: Morning Messages** Leah Dawn, 2022-06-02 This book is a collection of 220 daily channelled messages from a collective of divine feminine beings that were provided to offer support and guidance through a storm of the soul kind of time for the author The messages bring us back to our divine feminine ways of being that include love nurturing and self compassion yet also include messages of strength and perseverance The goal was always to share them in the format of a book when the author was ready and here they are This book is meant to provide both a one time read and an ongoing delivery of random messages whenever the reader picks it up and randomly chooses a page It provides the reader with a sense of being divinely loved supported and guided with every message Treasure Point
