Chronicles Manuel Augusto Antão, 2017-02-14 When I started blogging almost 10 years ago on the 4th of August 2016 my goal was to have a place where I could capture and express my thoughts and feelings about stuff i.e. a place where I could digress about the things that interested me Shakespeare SF Opera Film etc It also provided a kind of repository where my kids say could go to get glimpses of me that may go unexplored otherwise For me blogging was never about numbers instead it was about meaning and sharing meaning with those who cared I'm not a writer not even an aspiring one I am an Engineer with a lot going on in heart and mind that I'd like to build into a legacy of sorts So I'm not into volume in terms of blog hits and the like You won't find on my blog the answer why we go to Shakespeare's plays even when we know the outcome of everyone of them Are there people interested in knowing this I doubt it I don't even know whether there are still people reading Shakespeare in Elizabethan English
