Mary Baker Eddy Gill Gillian,1999-09-24 In 1866 a frail impoverished invalid middle aged widowed and divorced rose from her bed after a life threatening fall asked for her Bible and took the first steps toward the founding of the Christian Science Church Four decades later she was revered as their leader by thousands of churches in the U S and Europe had founded a national newspaper and had become probably the most powerful woman in America Who was this astonishing woman the mother of the Mother Church How did she prepare for her illustrious career during her years of obscurity and what was her inspiration for the healing practices and doctrine of Christian Science Gillian Gill a non Christian Science Scientist scholar who managed to win unparalleled access to the Church archives offers here an entirely new look at Mary Baker Eddy For the first time readers will see the extraordinary leadership skills exercised by Mrs Eddy despite the repressive forces facing women in her time For the first time we learn the full story of the bizarre attack on Mrs Eddy by Joseph Pulitzer and his New York World alleging that she was at least senile and possibly not even alive In this enthralling biography we rediscover Mary Baker Eddy as a radical Christian thinker pioneer in the recognition of mind body connections survivor of scandal and target of both admiration and scorn from such eminent contemporaries as Mark Twain Gillian Gill s sense of drama her critical acumen and her delicious wit bring to life a brilliant religious leader whose message has new meaning in our time We Knew Mary Baker Eddy Christian Science Publishing Society,1945 **Mary Baker Eddy** Louise A.
