We Made Our Own Fun! Reiman Publications,1996-04 Hundreds of stories look back to a time when imaginations soared and kids were never bored *Reminisce* ,2003 Chicken Soup for the Sister's Soul Jack Canfield,Mark Victor Hansen,2012-08-07 This new Chicken Soup book offers a heartwarming and uplifting collection of stories that celebrate the lifelong bond of sisterhood Dementia Care Training Manual for Staff Working in Nursing and Residential Settings Danny Walsh,2006 This interactive resource book encourages front line staff working with dementia sufferers to examine their working practice and modify it to meet best practice guidelines Packed with photocopiable exercises discussion points and questions this training manual provides a framework for care work in line with statutory requirements and standards The White Horse Irene Jenkins,2011-07-22 Combining literary fiction and memoir The White Horse provides a sensitive humorous and endearing account of a familys struggle to survive living with an alcoholic Through the lens of a wife and mother the story evokes the shifting choices confronting families and the social issues they face It is more than a novel it is also a social history The story transcends three continents and forty years The highs and lows the laughs and smiles all are here to share Above all else runs the depth of love that permeates the apparent normalcy of family life on the surface and the trauma of living in a dysfunctional situation It is challenging and thought provoking although this is subtly assumed through the typical daily activities of the family Using the metaphor of riding a carousel the story unfolds to reveal the different approaches the family takes to cope with the increasing trials posed by living with an alcoholic husband and father John Each ride portrays the emotions and feelings that are encountered during this journey providing an insight into how the family survives and emerges stronger for the challenge On the last visit to the carousel the final white horse looms who will be riding it and where is it heading B Joan from Al Anon says The White Horse is an inspirational book focusing on one of the leading addictions today alcoholism The plot is fresh and different Frank from AA says It s a fantastic book It s funny in places emotional thoughtful I am now re thinking my own life Buy This Book **CTA Journal** ,1917 **Bulldust In My Bra** Rebecca Long Chaney,2002-12 TALES OF A YOUNG COUPLE S YEAR WORKING IN THE OUTBACK VIVIDLY TOLD IN BULLDUST IN MY BRA A dream year of working in Outback Australia offered more than Rebecca Long Chaney had anticipated She had more heat and dust more exhaustion building fence more hours herding berserk feral cattle more snakes and spiders in her sleeping quarters and more adventure than she d ever imagined Bulldust In My Bra is the lively funny story of a brainy and brave woman who took a hiatus from her career as a successful agricultural journalist to travel with her husband into the farthest reaches of the Outback Their objective find a cattle station that would accept them as ranch hands and work till they dropped every day Chaney had grown up on a dairy farm and traveled widely reporting about the agricultural industry Her husband Lee was the herdsman on a dairy farm But they wanted a new challenge and what would be better than the Australian Outback On the way to Australia the Chaney's stopped in Tonga New Zealand and Papua New

Guinea for escapades hiking and exploring but their real adventure began when they arrived in Western Australia with their eager faces and American accents Their home was a ruined shed with wide cracks to the wind and stars a drippy shower over a mud hole and lizards that darted across the walls Chaney soon got over her dismay and came to love their primitive conditions including the poisonous huntsman spider who was their shack mate Her anecdotes amusing and sad are full of vivid detail and exude the love she felt for the rough landscape and hardworking people who live there Her understanding of herself changed as did her relationship with her husband The highlights of their months in Australia was the lengthy task of gathering and processing the thousands of cattle that ran wild on the tens of thousands of Ashburton acres Over several months the crew chased them on horseback and with adapted cards called bull buggies There was tagging dehorning and castrating to be done in the cattle yards Bulls were separated and hauled in multiunit road trains to shipping yards The hundreds of running cattle churned up the dry earth into a fine bulldust that settled on everything the mark of long days in the bush Chaney describes their mustering days with such verve that the grueling work seems more like adventure sport than the life work on an Outback station *Bulldust In My Bra* is a witty and rewarding account of a couple s life changing year traveling and working half a world from home
