The Leadership Quotient Bill Service Ph.D., Dave Arnott Ph.D., 2006-03-23 Now there is a formula for leadership the LQ Like the Intelligence Quotient and the Emotional Quotient that preceded it The Leadership Quotient contains verifiable dimensions of leadership that are designed to improve every leader s performance The Leadership Quotient makes the complex simple by fitting the 12 dimensions of leadership into a framework of leader follower and environment The Leadership Quotient makes the three components measurable and practical for the reader The nature vs nurture argument is over There is general agreement that effective leaders are prepared by nature and refined by nurture The need for improved leadership has never been greater as witnessed by corporate scandals world tumult and economic morass The failure of ethical moralities and the dumbing down of education give clarion calls for the type of improved leadership available through the application of LQ principles The Leadership Quotient is thoroughly researched by two leadership experts who combined have 37 years of practical business leadership 45 years of formal education and 25 years of teaching leadership at the university level Yet the book is accessibly written for leadership practitioners The LQ is years of comprehensive research packaged in a simplified formula for immediate application

Leadership Theories and Case Studies Garry Wade McGiboney, 2018-07-27 Effective leadership does not occur by chance Leaders must be trained and groomed for the daunting responsibility of leading organizations Research shows that half of the people currently in leadership positions will fail Why they fail and what can be done to prevent failure are the main subjects of this book It shows that effective leadership is possible and illustrates why and how based on research and case studies from an epidemiological perspective The epidemiological word determinant is used frequently and is a word that no other book on leadership uses Epidemiologists work from two basic principles namely that all diseases have determinants and that diseases do not occur randomly In other words there are always causes for diseases and patterns that describe how diseases spread Effective and ineffective leadership always have determinants that are not randomly distributed the impacts are uniformly and deeply spread throughout an organization Like the epidemiologists this book not only identifies leadership determinants but also provides research based antidotes at the end of each chapter along with a summary of the most salient points in the chapter This book offers examples of leadership and governance from the non profit sector businesses public and private education

higher education and other organizations highlighting over 50 case studies to illustrate concepts about leadership

The Wounds that Heal Judith A. Schwartz, Richard B. Schwartz, 2010-09-23 Theories of human development characteristically include a series of stages through which individuals are expected to pass if they are to achieve wholeness and happiness Whether explicitly or not such theories privilege normalcy Heroes on the other hand are commonly wounded individuals whose developmental disabilities are ultimately the source of their personal success and heroism The Wounds that Heal examines developmental theory in the light of the heroic narrative and argues that such theory should be adjusted to accommodate the experience of those who are in many ways our principal role models Four individuals are examined in depth Jane Austen T E Lawrence Winston Churchill and George S Patton Jr The study draws on the experience of a host of other individuals both historic and fictional and includes materials designed to aid readers in defining their own views of the heroic as well as to become heroes or heroines in their own lives

Saving Jenny Vivian Percy, 2018-06-05 Normal turned to PTSD and a substance abuse nightmare for Jenny the instant a taxi struck her catapulting her thirty feet across a busy New York City street Jenny is one of the lucky ones to have survived the drug rehabilitation system which routinely fails those at risk Her story is multiplied across the US in the wrecked lives and torn apart families of hundreds of thousands of Jennies Saving Jenny is the story of a mother and daughter s long painful journey from tragedy through opioid addiction toward healing Its cautionary tale sheds light on drug dependency sexual violation and exploitation misdiagnosed psychological and physical injuries It exposes a healthcare industry focused more on profits than care which routinely fails those in its keeping We see firsthand the abuse negligence malpractice illegal and illicit activities going on in rehab facilities We hear about the complicity of Big Pharma insurance companies and healthcare providers in these schemas Beyond an expos this book offers practical and radical solutions to the countless individuals and families affected by opioid addiction and trauma People need physical psychological social and spiritual support to experience true healing

Cultureship Jason Bingham, 2013 Contrary to popular belief leadership is not the solution to every business problem or sustained business success The answer lies in the culture of the organization Strong business leaders follow their organization s culture and guide with a system of beliefs called Cultureship Business managers who practice Cultureship know that developing and leading high performing cultures can be learned and taught Backed with irrefutable evidence Cultureship introduces this system of beliefs and illustrates how changing culture can quickly lead to better business results how every employee wants to grow serve and perform how associates ultimately own the culture and how successful leaders don t tell they lead Once you understand each of the ten beliefs and how they fit together as a unified whole you will be on your way to becoming a great leader Applying Cultureship
