Beyond The Secret Alexandra Bruce, 2007-09-01 Based on a best selling documentary film of the same name this books presents the Law of Attraction which according to the tagline has traveled through centuries to reach you By synthesizing how to get rich ideas from classic self help books by Wallace D Wattles *The Science of Getting Rich* Napoleon Hill *Think and Grow Rich* and Charles Haanel *The Master Key System* with twenty five modern day self improvement gurus like Jack Canfield Bob Proctor Michael Bernard Beckwith James Ray Lisa Nichols and Joe Vitale author Rhonda Byrne and her team have created an almost alchemically rich and compelling promise They claim that The Secret was discovered by such historical luminaries as Plato da Vinci Galileo Napoleon Hugo Beethoven Newton Edison and

Einstein that The Secret has existed in fragments in religions philosophies and oral traditions for centuries but only now has it all been put together The Secret is everything you have dreamed of and is beyond your wildest dreams trumpet the marketing materials Could it really be true or is it just a new spin on the very old and decidedly not secret the power of positive thinking wedded to ask and you shall receive Alexandra Bruce goes behind the scenes to investigate the phenomenon from its roots in Australia to the sales bonanza that has seen creator Rhonda Byrne become the most successful debut author in memory Bruce takes a hard but fair look at the teachers featured in The Secret and the Law of Attraction that is the central theme To truly understand the significance of The Secret perspective is needed Beyond The Secret delivers that and much more

World Beyond Reason: The Orwellian Factor James C. Lewis, 2020-08-10 World Beyond Reason The Orwellian Factor By James C Lewis World Beyond Reason The Orwellian Factor is the product of several years of focused research and investigation prompted by national and world occurrences There is a movement in this country to change the United States from a merit based market economy typically referred to as capitalism to a Marxist nation by a group called Progressives These Progressives claim they believe collectivist thought under a Democratic Socialism ideology would best serve the nation and world James C Lewis s research has revealed that these Marxists fail to grasp they are being manipulated by a force whose ultimate goal is not socialism at all but a totalitarian ideology under the misleading title of New World Order But this goal is not merely for the United States but will cover the entire world Lewis s research reveals that many events that are occurring today such as the COVID 19 virus the coming activation of the 5G network Islamic terrorism the Deep State or shadow government failing countries millions of displaced refugees even the Progressive movement are all calculated to destabilize the Western world enough that the remedial outcome will allow those NWO forces to take over and usher in a one government world My goal is to expose all of this so the American people get a full understanding that this is all very serious and dangerous to our very existence as a country and as a free people Lewis as a retired paralegal spent his career in a field requiring careful legal and factual research an understanding about human nature criminal and constitutional law He brings those skills to the research of this book
