CatholicMom.com and author of *The Handbook for Catholic Moms Mom in the Mirror* Dena Cabrera, Emily T. Wierenga, 2013-05-08 *Mom in the Mirror* Body Image Beauty and Life after Pregnancy is for every woman who has ever doubted herself or her self-worth after the birth of a child. Because most women spend much of their lives attempting to change their bodies, it's not surprising that the weight gain that comes along with pregnancy and post-pregnancy coupled with the challenges of parenting only exacerbate issues with weight, body image, disordered eating, and self-esteem. Drawing on the wisdom of eating disorders expert Dr. Dena Cabrera as well as the personal experiences of former anorexic Emily Wierenga, *Mom in the Mirror* is a physical, mental, emotional, and spiritual response to a female generation seeking its true identity in an appearance-based world. With chapters that deal with bruises from the past, misconceptions about pregnancy, life before and after children, marriage and motherhood, spiritual and physical nourishment, relationships with friends and family, and the changing role of a mother as her children age, it is a holistic approach to the age-old questions: Who am I and why am I here? Comprising personal stories, expert advice, reflection questions, and helpful tools, this book is an inspiring read intended for women everywhere who want to restore a positive body image and to overcome the insecurities that arise when pregnancy is over and child-rearing begins.

Devotional Fitness Martin Radermacher, 2017-01-05 This book examines evangelical dieting and fitness programs and provides a systematic approach of this diverse field with its wide variety of programs. When evangelical Christians engage in fitness and dieting classes in order to glorify God, they often face skepticism. This book approaches devotional fitness culture in North America from a religious studies perspective, outlining the basic structures, ideas, and practices of the field. Starting with the historical backgrounds of this current, the book approaches both practice and ideology, highlighting how devotional fitness programs construe their identity in the face of various competing offers in religious and non-religious sectors of society. The book suggests a nuanced and complex understanding of the relationship between sports and religion beyond simple functional equivalency. It provides insights into the formation of secular and religious body ideals and the way these body ideals are sacralized in the frame of an evangelical worldview.

Word by Word Sarah A. Reinhard, 2015-10-16 Most Catholics can recite the Hail Mary but haven't actually reflected on the meaning of the prayer. Blogger and author Sarah Reinhard invited forty of the most popular Catholic voices, including Lisa M. Hendey, Lisa Mladinich, and Brandon Vogt, to write a brief reflection on one word of the Hail Mary. In *Word by Word: Slowing Down with the Hail Mary*, popular Catholic author Sarah Reinhard compiled an accessible, profound, and unique meditation on each word of the Hail Mary, one of the most important prayer traditions in Catholic life. Each of the reflections encourages readers to slow down with the Hail Mary and experience previously unseen dimensions in the popular devotion, making it come to life in a new way. This unique formative and informative exploration of the beloved prayer is a gift to anyone who wants to be continually changed through it, learning to slow down and examine things more closely. The book is based on a blog series Reinhard facilitated with popular Catholic writers and social media experts, including Lisa M. Hendey.
