Am God John C. Robinson, 2024-01-26 A paradigm shifting journey into God as Self and the World as Heaven on Earth Upon turning 75 I felt the compelling need to spend time in solitude to live more fully the mystical consciousness I have been writing about for 25 years As the experience deepened I began writing mystical poetry in the tradition of Hafez Rumi Kabir and Gibran Hundreds of verses poured forth an amazing surprise I had found a new voice poetry became a new spiritual practice and wisdom and revelation now flow from the One One Consciousness God's consciousness fills the universe Everything contains and expresses it The world is alive awake aware loving and breathtakingly intelligent We each share this consciousness though we wrap it in personal identity and assume everyone's version is uniquely theirs What does this mean It means you have direct access to the consciousness of God This realization alone can begin your awakening **The Divine**

Human John C. Robinson, 2016-09-30 With our unprecedented longevity aging has become a new developmental stage in the human life cycle Conscious sacred aging now offers humanity profound opportunities for psychological spiritual and mystical transformation expanding not only our lifespan but our awareness of God as well What if we discover in this awakening that we are already divine What if this realization transforms our very nature and purpose in the world **The Divine Human** answers these questions and more revealing the ultimate meaning of the New Aging **Breakthrough** John C.

Robinson, 2015-10-30 When a middle aged clinical psychologist begins working with a client describing bizarre mystical experiences his own world changes radically taking him on a breathtaking journey through divine consciousness into the revolutionary spirituality of aging **Mystical Activism** John C. Robinson, 2020-02-28 In Mystical Activism we each hold the power to change the world right where we are To call these end times is not hyperbole We are in trouble and the signs are everywhere extreme political divisions xenophobic violence enormous wealth inequity poverty and homelessness racism sexism and ageism arms buildups and unending wars and most critical of all terrifying climate disruption associated with man made global warming We are the cause of these dark times Driven by left brain beliefs illusions and obsessions humanity races headlong toward the collapse of civilization Fortunately the solution to these mounting crises also lies in the human psyche arising from a most surprising source the right brain's natural mystical consciousness Our survival depends on whether we grasp and resolve this paradox in time **Vibrant Emeritus** Richard Stuecker, 2014-11-28 Enter the second half

of your life journey with vibrancy generativity creativity and blessing One's second half of life can be an amazing adventure of abundance generativity and deepening spirituality **Vibrant Emeritus** The Elder in the Twenty First Century offers a path that embraces a view of life that counters the belief that one's second journey is one of dissipation and disappointment
