What Do You Believe Really:

How can I Hear the Voice of God? Mark Craythorn, 2012-03-09 Why a book on listening to the voice of God Surely it implies that there is a God out there that is talking to us And if he is talking to us why is He even interested in talking to us There is so much pain hurt and suffering in this world it can seem that God is often so distant Mark Craythorn left no stone unturned while patiently and diligently searching for an answer to the question Does God Exist He obtained the proof that he was looking for but it was what happened afterwards that surprised him Subsequent assent that Jesus Christ is the Son of God followed by a number of significant encounters with the Holy Spirit changed his life forever Mark is passionate about teaching others that God is very active in our lives and communicates to us more than we give him credit for This book contains answers to the question How can I hear the Voice of God It also contains a study guide Forty Days of Hearing God for Yourself This is Mark s second book the first is titled God and Email

I Wonder Nathan Aaseng, 2021-11-26 Nathan Aaseng asks the God questions about which many of us wonder but rarely have the honesty to explore Weaving together story life experience science humor and hope Aaseng stitches together a quilt of Christianity that faithfully lifts up the God of grace and pointedly rejects the easy answers of popular religion With the heart of a pastor the wit of a humorist the eloquence of a bard the clarity of a scientist and the depth of a theologian the reader is led onto holy ground to see the God of mercy justice and love Laypersons will be enlightened Clergy will delight in the way Aaseng addresses the ponderings of their flocks with the solid grounding of Scripture Duane Pederson former Lutheran bishop and Visiting Professor at Yale Divinity School Many Christian leaders today promote rigid doctrine that says Never doubt Never question This insistence

has been demonstrably disastrous for the church because the first step in any faith formation is to wonder Nathan Aaseng revives the gift of wonder in seeking a fuller more awesome experience of God It welcomes unsettling questions that are too often dismissed with pat answers *The Genius of H.
