God Really, Really Likes You Becky Proctor, 2021-12-30 Have you ever felt alienated from angry at intimidated by or otherwise disconnected from God You are not alone Countless people go through life feeling among other things that God doesn t like them but this book shares life changing news God really really likes you just the way you are barefaced unfiltered unpolished on your worst hair day ever In this book the author shares her own struggles with misunderstanding God beginning as a child I was a child who didn t ask many questions From bits and pieces of fundamental sermons and overheard conversations my image of God was anything but loving I pictured God as the enforcer the disapprover a bad Santa ready to catch me doing something bad She kept a respectful distance from God for years Learn what motivated her to finally accept God s offer of grace how simple it was to do and how fulfilling life is now that she knows God not only loves her but likes her as well and how God reveals Himself in the simplicity of everyday life So no matter how raggedly how despicable you are feeling God likes you and loves you He created you in His own image You are not some randomly occurring experiment or some fatally flawed lump of humanity You are not a victim of your circumstances or of another s bad decisions or someone else s selfish dreams You are God s creation made for a divine purpose to walk through this life on a journey that goes beyond your wildest dreams And the best part of all God s got your back every step of

the way **Is God Really Good? The Naked Truth Bible Series** Terry Daniels,2012-03-13 What is the real truth about the Bible Does it have relevance beyond the world of religion What about the God of the Bible Is He real Why should anyone care If He is real what is He like This is just a sampling of what appears to be an endless list of questions about the Bible about God And an answer to any of these questions just seems to raise even more questions Is the most published book of all time destined to remain a mystery Is there a place for the Bible during modern times Maybe it s supposed to be used like a dictionary or encyclopedia only to be accessed when we are missing an answer to a question or situation Or maybe its here just for those who feel a need for some sort of religious experience The Naked Truth Bible Series will explore these and other questions by delving deep into the Bible using the information in both the Old and New Testaments in an attempt to break through the log jam of misleading and confusing information about its content and purpose Using a series of single subject books The Naked Truth Bible Series will address individual subjects using simple readable content that we lead you step by step to a deeper understanding of the Bible Each book building on the previous book or books in the series all designed to help you develop a well rounded view of both God and the Bible **What Does God Really Promise?** Carolyn Larsen,Jerry Watkins,2016-11-28 God makes hundreds of promises to his children Promises of protection forgiveness hope eternal life Cheerful artwork with a modern whimsical style wraps around honest easy to understand answers to your toughest questions about church eternal life and the future and what God really promises to his people What Does God Really Promise will inspire and offer comfort as you grow closer to God and gain a better understanding of who he is why church is important and what the future holds for those who believe Also serves as a heartfelt gift of love and promise to those who are considering faith or are new believers **I Want My Kids to Know Who God Really is** Barb Cantrell,2022-06-14 In all ages faith has provided a backbone and common entity connection for the masses Faith need not tear people apart because it is a personal journey Where three such travelers meet in good faith Jesus is there Societal norms have shifted away from the Bible and active faith the type that actually works It is more important than ever to bless our children and give them a charge to carry out their faith in life Our families depend upon the government to raise our children in hope and that is not being done There is a deliberate effort to undermine faith in the USA for the purpose of weakening those in opposition to worldly plans Simply understanding the Hippocratic Oath as to Apollyon the devil can be a game changer Nearly every law passed these days is linked to a medical community that harms all day long and gives it oath to the devil Rule of law is imposed when the expected outcome is in opposition to the Constitution We must be wise as wolves to navigate it and yet remember the free flowing faith that Jesus wants us to own all our days so we can commune with Him daily and in times of need Our nation will fall to tyranny from within if we do not charge our children with keeping this a country under God Every walk of life is affected How would the LBGTQ community view their Democrat rescuers if they learned they were made gay and Democrat after it was found in a lab that a certain vitamin deficiency made rats homosexual and the science was applied to school

Paul Copan, Matt Flannagan, 2014-11-11 A common objection to belief in the God of the Bible is that a good kind and loving deity would never command the wholesale slaughter of nations Even Christians have a hard time stomaching such a thought and many avoid reading those difficult Old Testament passages that make us squeamish Instead we quickly jump to the enemy loving forgiving Jesus of the New Testament And yet the question doesn't go away Did God really command genocide Is the command to utterly destroy morally unjustifiable Is it literal Are the issues more complex and nuanced than we realize In the tradition of his popular Is God a Moral Monster Paul Copan teams up with Matthew Flannagan to tackle some of the most confusing and uncomfortable passages of Scripture Together they help the Christian and nonbeliever alike understand the biblical theological philosophical and ethical implications of Old Testament warfare passages Pastors youth pastors campus ministers apologetics readers and laypeople will find that this book both enlightens and equips them for serious discussion of troubling spiritual questions **Does God Really Speak to Us?** Rowena Andres, 2025-09-10 Have you ever lost someone you loved Carried a dream in your heart unsure whether it will ever come true Wondering if marriage is part of your future Or questioned why bad things happen to good people These are questions many of us grapple with questions that often leave us searching for answers we can't seem to find The author of Does God Really Talk to Us has wrestled with these very same questions during seasons of grief and uncertainty Through her journey she discovered a deeper relationship with God one that began over 30 years ago when she lost her father and started recording heartfelt prayers in her journals In this deeply personal book she shares her experiences and the intimate prayers that helped her find peace and clarity She reveals how in the stillness of our hearts we can truly hear God speak if we're willing to be quiet and listen
