The Prophecy That Is Shaping History Jon Mark Ruthven,Jon Ruthven,2003 Millions of Jews Christians and Muslims believe that a 2 500 year old prophecy is about to be fulfilled a global apocalyptic jihad of many nations against the tiny state of Israel whose recent re emergence in its traditional land has sparked unrelenting rage and attack Repeated resolutions passed in the United Nations reflect world wide and nearly unanimous hostility against the so called Zionist entityeven to the point of denying its right to exist Most news media and political analysts seem unaware of the ancient prophecy that not only predicts this apocalyptic war but also amazingly how this prophecy by Ezekiel chapters 36-44 provides the scenario for numerous best selling books in both the English speaking and Muslim worlds These best sellers not only describe this great conflagration but actually also motivate their readers to prepare for it The Prophecy That Is Shaping History represents a major advance in research and scholarship in examining the historical and contemporary impact of Ezekiel s prophecy on world events This academic monograph also offers a wealth of new evidence in tracing the identities origins and ultimate destinies of the key nations of Ezekiel s prophecy who are seen to participate in what millions believe will be the most horrific battle the world will ever witness

The Christian as Imitator of Christ Francis Kofi Achampong, 2025-04-25 Two and a half billion people worldwide profess to be Christians These include people who espouse ideas about White Christianity Chris tian nationalism Christian libertarianism racial segregation and racial purity It also includes people who see assistance to the poor as handouts that perpetuate poverty The latter group includes people who espouse ideas about accountable individualism where people are expected to pull themselves up by their own bootstraps and become self sufficient as a sign of faith in God s grace and a perversion of crucicentrism which takes the position that it is compassionate to allow poor people to suffer because it can drive them to the cross and salvation in Christ
