What Can I Do My Husband Has Prostate Cancer:

What Can I Do? Bev Farmer, 1995-01-01 WHAT CAN I DO MY HUSBAND HAS PROSTATE CANCER is the story of a couple faced with prostate cancer It is based on the author's journal blends the facts with her feelings in an engaging manner It reads like a novel but is really a guide for people trying to cope with this disease Kent Farmer was only 47 when he was diagnosed with prostate cancer What does a couple do What can they expect What will their life be like if they choose surgery How do they cope with the tremendous sense of loss they feel with this diagnosis We are standing on the edge of a very wide precipice It is deep dark it is the unknown We have so much healing to do physically emotionally it is just a slow recovery From my journal WHAT CAN I DO MY HUSBAND HAS PROSTATE CANCER is a book of hope It is enlightening for anyone interested in knowing about the disease It is a must for people living through it To order Contact Bev Farmer Pathfinder Press 25224 N E Jolma Road Battle Ground WA 98604 **100 Questions & Answers About Prostate Cancer** Pamela Ellsworth, 2018-08-06 Providing both doctor and patient perspectives 100 Questions Answers About Prostate Cancer is a comprehensive guide to the basics of prostate cancer risk factors and prevention diagnosis treatment survivorship and life after diagnosis **A Crash Course on Prostate Cancer** Lynne Rosenberg, 2006-09 Sometimes a woman just needs to hear certain things from another woman And one of those times is when your husband may have prostate cancer When author Lynne Rosenberg a registered nurse and wife of a medical doctor began to research this disease after her husband Mark was diagnosed she found very little useful information about the day to day decisions and difficulties they would face Scrambling to decipher test results procedures medications and side effects she discovered that each woman faces this process as if facing uncharted territory Prostate cancer involves the physical and mental mechanisms that in some ways define both masculinity and intimacy and Rosenberg confronts these subjects with refreshing frankness After devoting more than a year to her husband's illness treatment and recovery she has organized her experience into a readable and rational discussion that can help prepare women to deal with everything for which she herself had no preparation While not intended to replace the doctor nurse or counselor in the management of this disease A Crash Course on Prostate Cancer From One Woman's Perspective will provide you with the support that only another woman can give **Contemporary Issues in Prostate Cancer** Jeanne Held-Warmkessel, 2000 Nurses must have the most up to date information possible in order to provide accurate patient education and competent nursing care to men with prostate cancer in a concise thorough manner Chapters on risk factors screening and prevention diagnosis different treatment modalities and symptom management are included **The Prostate Cancer Owner's Manual** Harley A. Haynes, MD, Richard M. Miles, 2021-08-15 A vital overview of prostate cancer for the millions of men that are suffering and their loved ones The moment the family doctor says You might have prostate cancer most patients immediately ask themselves Am I going to die Their life is turned upside down as they are faced with a scary new reality they likely know little about Patients must familiarize themselves with strange new medical

terminology tests procedures and worst of all major changes to their bodies The Prostate Cancer Owner s Manual offers clarity on these topics to help readers and their loved ones get through this life changing diagnosis that will take years to overcome Harley Haynes MD and Richard Miles have both been there and done that As prostate cancer survivors they understand the questions that recently diagnosed patients have and the challenges they face Here they provide a blend of medical expertise and personal knowledge and insight to help patients and their families make sense of the road ahead of them equipping them with the facts they need to make informed decisions and confront prostate cancer head on Haynes and Miles answer the questions readers may have and detail the possible outcomes they will face without mincing words about the tough realities of living with prostate cancer while offering hope for recovery *Prostate Cancer and the Man You Love* Anne Katz,2015-03-04 Prostate cancer is the most commonly diagnosed cancer in men after skin cancer However this cancer is highly curable and most men live for many years after treatment only eleven percent of cancer deaths are due to prostate cancer It is well known that the side effects of the treatment cause more suffering than the disease itself Side effects of surgery include incontinence and erectile difficulties radiation therapy leads to urinary and bowel problems and androgen deprivation hormone therapy leads to a broad range of long term side effects affecting physical and emotional functioning But it is not only the man who suffers through treatment and its side effects The partners and spouses of prostate cancer survivors are known to experience distress as the man they love moves through the various stages of diagnosis treatment and survival While prostate cancer is a couples disease there is much attention paid to the man with cancer and very little to the person and his partner or spouse who is his prime supporter and who often struggles to make sense of what has happened and why and how best to support and take care of him *Prostate Cancer and the Man You Love* speaks to the loving partners spouses of men with prostate cancer whether soon after diagnosis or later when the man gets on with the rest of his life Katz includes both the medical information necessary to understanding the disease and firsthand accounts from cancer patients and survivors and their partners Tips for communication and problem solving with both partners and health care teams are offered throughout Anyone dealing with prostate cancer will find in these pages comfort and insight as well as specific advice for coping healing and moving forward in the spirit of healing and love **Department of Defense Appropriations** United States. Congress. Senate. Committee on Appropriations. Subcommittee on Department of Defense,2004 [Prostate Cancer Survivors Speak Their Minds](#) Arthur L. Burnett, II,Norman S. Morris,2010-02-19 Personal stories show men how to make the right decisions for themselves with medical insights from a leading Johns Hopkins authority on prostate cancer If you or someone you know has been diagnosed with prostate cancer you want to know the facts about treatment options as well as what to expect through the process of treatment and recovery Written by Dr Arthur L Burnett II one of the world s most distinguished authorities on prostate cancer and veteran CBS News journalist and prostate cancer survivor Norman Morris *Prostate Cancer Survivors Speak Their Minds* gives you the information you need through the experiences of men who have

had prostate cancer Dr Burnett speaks openly and honestly about prostate cancer options treatments and aftereffects and shares stories of both well known and ordinary prostate cancer survivors who offer their personal reflections on going through treatment and getting well Includes personal stories from notable prostate cancer survivors such as Arnold Palmer Ken Griffey Sr Pat Robertson and others Takes an authoritative look at prostate cancer treatments current and promising scientific breakthroughs and life altering side effects Author Arthur Burnett a leading prostate cancer expert is the Patrick C Walsh Professor of Urology Cellular and Molecular Medicine at the Johns Hopkins s James Buchanan Brady Urological Institute and is renowned for his research studies that led to the formulation of Viagra Offers solutions to common side effects such as sexual problems and incontinence Combining the essential medical facts about prostate cancer with personal intimate stories told by courageous men who have survived it this book is an invaluable guide for men diagnosed with prostate cancer and those who care about them

Surviving Prostate Cancer Without Surgery Michael J. Dattoli, Jennifer Cash, Don Kaltenbach, 2005 If you have been diagnosed with prostate cancer you owe it to yourself to become informed about the disease and to know all your treatment options The good news is there has been great medical progress in recent years and prostate cancer is now a highly treatable disease For most patients who are diagnosed early the choice of treatment most often comes down to radiation versus radical surgery either with or without some form of hormonal therapy This book provides the latest medical data and explains why more men are now avoiding surgery and instead choosing state of the art radiation therapy such as seed implants and IMRT Intensity Modulated Radiation Therapy Book jacket

Cancer a Message of Hope Jairo Álvarez-Botero, 2011-07-13 CANCER A Message of Hope chronicles Jairo lvarez Boteros fight against a cancerous monster living inside him From diagnosis of prostate cancer at age sixty eight to surgery and cure Jairo describes in a strikingly honest manner what men can expect after a diagnosis of prostate cancer and the best solutions to help men live a long and healthy life After six years of research Jairo amassed his knowledge and experience into an inspirational story that will not only motivate men to make the best decision for themselves but will help them and families to keep a positive attitude throughout their ordeal so that they can enjoy what Jairo calls a new life Filled with factual information gleaned from numerous experts around the country Jairo answers every question a man woman or family member could have about this insidious disease that is the Number Two killer of men in the United States Known as The Silent Killer and what the author calls The Monster prostate cancer affects more than a quart of million men each year In the time it takes you eat lunch approximately fi ve men husbands brothers grandfathers sons will die needlessly from prostate cancer No men should die of prostate cancer Jairo said No stone is left unturned as Jairo investigates all of the issues a man might face as he contemplates the best course of action From discussions about temporary incontinence and erectile dysfunction to radical surgery versus chemotherapy and radiation the author bares his soul so that other men can make the best choices for their individual situations From the fear that men experience upon diagnosis to possible treatments and side effects Jairo uses his experience

to help men make the right decisionthe decision to live While many men have a fear of this cancer this inspirational book dispels all of the myths and rumors and shows men that not only can they live but that they can live a full happy healthy life a life that was even better than beforea newlife The net proceed of the book are donated to Prostate Cancer Foundation
