Rethinking Gothic Transgressions of Gender and Sexuality Sarah Faber, Kerstin-Anja Mündenlein, 2024-03-11 From early examples of queer representation in mainstream media to present day dissolutions of the human nature boundary the Gothic is always concerned with delineating and transgressing the norms that regulate society and speak to our collective fears and anxieties This volume examines British and American Gothic texts from four centuries and diverse media including novels films podcasts and games in case studies which outline the central relationship between the Gothic and transgression particularly gender ed and sexual transgression This relationship is both crucial and constantly shifting ever in the process of renegotiation as transgression defines the Gothic and society redefines transgression The case studies draw on a

combination of well studied and under studied texts in order to arrive at a more comprehensive picture of transgression in the Gothic Pointing the way forward in Gothic Studies this original and nuanced combination of gendered Ecogothic queer and media critical approaches addresses established and new scholars of the Gothic alike
