Retired What's Next by Michael Bivona, CPA, published by iUniverse, was a finalist in the Annual Eric Hoffer Awards for Short Prose Independent Books. After a rigorous first round of judging, less than 10% of over 1,000 entrants were privileged to have the 2013 Eric Hoffer Award FINALIST Excellence in Independent Publishing assigned to their books and digital presentations.

The US Review of Books: Before retiring, it's wise to begin building bridges to things you are passionate about so that when the time comes, you have a choice of which bridges you can comfortably take into the next phase of your life. Some people transition seamlessly into their golden years, while others have a tougher time entering into retirement, wondering what's next.

In *Retired What's Next*, retired accountant Michael Bivona shares his answer. Part memoir, part retirement guide, this is both informative and inspirational. Touching on essential aspects of retirement, like remaining healthy, financial matters, preparing a will, finding part-time and/or volunteer work, Bivona delivers practical, real-life advice and insightful reflections. I realized after a friend's demise that many of the possessions that he had accumulated over his lifetime and were so dear to him were of no interest to his heirs or friends and were disposed of like pieces of junk.

Staking his own territory in the popular and compelling category of memoir writing, Bivona writes in a genuine narrative tone about how to manage the freedom, new opportunities, and choices of retirement by focusing on what he knows and enjoys: traveling, dancing, boating, fishing, tennis, golf, writing, reading, and collecting books. And showing by example, Bivona frames his real-life tips on planning for a rewarding retirement around his reflections and recounting of the collective highlights and significant moments and events of his life and retirement journey with his wife, Barbara. Clearly, the Bivons have a winning strategy for living life to the fullest in retirement. By learning not merely how to cope but to thrive by crafting a retirement path that is focused on personal fulfillment and joyful meaning, as evidenced by their successful post-retirement journey.

In *Retired What's Next*, retired readers or those thinking of or planning for retirement will gain insight from Bivona's shared personal wisdom and learn by example the guidance of his inner and outer retirement journeys, which can be applied to their own retirement goals for staying happy, healthy, and active.

Was That Me? Michael Bivona, 2010-10-28. In his memoir *Was That Me*, a successful businessman, author, and philanthropist provides an inspirational look into the reasons why he chose the road he did in life. After being repeatedly asked the question, "How did you go from not attending high school to becoming the man you are today?" Bivona's answer was always the same: lots of luck and fate. But soon that answer did not seem to be enough, and as Bivona delved into past experiences in order to discover what truly caused him to reach his current destination, he began to identify the influences that propelled him from a childhood in a rundown neighborhood to a stint in the Air Force to his first jobs at Coney Island Amusement Park and a Wall Street stockbrokerage firm. As Bivona relays how he eventually attended Long Island University and became a certified public accountant, it is evident that self-determination and a thirst for knowledge guided him to attain success. The true story of how Michael Bivona's choices in life helped him become who he is.
