Traveling Back Toward A Global Political Theory:

Traveling Back Susan McWilliams, 2014-03 What does it mean to think globally Susan McWilliams argues that to understand politics in our new world we should revisit one of the oldest themes in political theory travel This title uncovers the rich travel story tradition of political theorizing and shows how it helps to answer today's toughest political questions

The Oxford Handbook of Comparative Political Theory Leigh K. Jenco, Murad Idris, Megan Christine Thomas, 2020 Chapters emphasize exploration of substantive questions about political life in a range of global contexts with attention to whether and how those questions may be shared contested or reformulated across differences of time space and experience An interdisciplinary volume that bridges the gaps between various traditions regions and concerns regarding political theory Provides tags and keywords to aid navigation of the handbook and help readers trace disruptions thematic connections and conceptual contrasts across entries

The American Road Trip and American Political Thought Susan McWilliams Barndt, 2020-07-06 Americans love road trips They love to go on road trips They love to read about road trips They love to watch road trip stories unfold on television and film Road trip stories are a consistent feature of the American landscape a central part of American mythology and an important piece of the American dream In *The American Road Trip and American Political Thought* Susan McWilliams argues that the American fascination with road trip stories is about more than mere escapism or wanderlust She shows in walking through stories like *On the Road* and *The Grapes of Wrath* that American road trip stories are a key expression of American political thought They are not just stories of personal journeys They are stories of the American nation McWilliams Barndt shows how Americans have long used road trip stories to raise and explore central questions about American politics in theory and practice They talk about freedom and equality and diversity and take those vaunted American ideals for a test drive American road trip stories are where the rubber meets the road in American political thought *The American Road Trip and American Political Thought* includes explorations of a wide variety of American authors from Walt Whitman and Henry David Thoreau to Erika Lopez and Cheryl Strayed from Mark Twain and John Steinbeck to Solomon Northup and Hunter S Thompson It covers topics including gender labor place race and technology in American political life This is a book that will change the way you think about the great American road trip and the great American story

Liberal Education and Citizenship in a Free Society Justin Buckley Dyer, Constantine Christos Vassiliou, 2023-07-24 The liberal arts university has been in decline since well before the virtualization of campus life increasingly inviting public skepticism about its viability as an institution of personal civic and professional growth New technologies that might have brought people together have instead frustrated the university's capacity to foster thoughtful citizenship among tomorrow's leaders and exacerbated socioeconomic inequalities that are poisoning America's civic culture With *Liberal Education and Citizenship in a Free Society* a collection of 19 original essays editors Justin Dyer and Constantine Vassiliou present the work of a diverse group of scholars to assess the value of a liberal
