Wealth Riches And Money:

Wealth, Riches and Money Craig Hill, Earl Pitts, 2001

God and Money Gregory Baumer, John Cortines, 2016-02-25

Two young Harvard MBAs on the fast track to wealth and success tell their story of God's transforming power and how Scripture brought them to the startling conclusion that they should give the majority of their money away to those in need. Packed with compelling case studies, research, and practical strategies, *God and Money* offers an honest look at what the Bible says about generous giving. No matter what your salary may be, *God and Money* shows you how you can reap the rewards of radical generosity in your own life. 100% of the author royalties goes toward Christian ministries focused on spreading the Gospel and providing for those in need. John and Greg realize what everyone should know: that middle class Americans are among the richest people in world history. It's time for Christ followers to understand that God has bigger purposes than increasing our standard of living. He wants us to increase our standard of giving. Randy Alcorn from the Foreword of *God and Money*. John Cortines and Gregory Baumer met as Harvard MBA candidates in a men's Bible study and stopped asking "How much should I give?" and started asking "How much do I need to keep?" With their top-notch education and rising careers, Cortines and Baumer were guaranteed comfort and security for the rest of their lives. However, when their plans for saving and spending collided with God's purposes for extravagant generosity, they were each compelled to make a life-changing decision that challenges the values held by mainstream America and many Christian commentators. Cortines and Baumer show not only how to radically give but explain how to do so responsibly. Dive into the story and get equipped with the practical tools to: Easily set budgets for spending. Wisely steward your money. Prepare and save for your future home ownership, retirement, higher education, etc. Know what the Bible says about money, tithing, and faith. Discern when to give and when not to give. Featuring lessons from the Bible, modern-day case studies, and practical ways to apply biblical principles, no matter what situation you're in, *God and Money* provides an incredible look into what the Bible says about tithing and Christian giving. Wealth and stewardship. Faith and generosity. Love of money. And so much more. From the parables of the Rich Young Ruler to the Widow's Mite, the Bible shows us that how we manage our money is critical to our relationship with God. *God and Money* uses these parables and more to teach you to save, spend, and steward your money in a biblical way by planting God's purposes at the heart of your practices. Discover the 7 Core Principles of Wealth and Giving. Authors Cortines and Baumer pack 2,350 verses on money into 7 practical principles that can be applied to your life and finances on a daily basis. From shopping for groceries to your first down payment on a home, apply these reliable guidelines with ease and clarity. Everything we own actually belongs to God. Giving should be voluntary, generous, cheerful, and needs-based. Giving generously breaks down the power of money over us. And more. Gain Tools to Manage Your Money Wisely. Packed with tables, charts, graphs, and a quiz, the applications in *God and Money* are backed with scripture, data, research, and clear illustrations to help you discover what it means to honor God with your wealth. *God and Money* will teach you how to set budgets for spending.

Money, Wealth and Riches Stephen Adu-Boahen, 2020-10-17 Money wealth and riches are some of the most controversial topics among Christians To say something is controversial means whenever and wherever it is mentioned because opinions on it differ it brings or causes disagreements and sometimes generates heated arguments and discussions before it is settled Money wealth and riches sometimes bring controversy among Christians whenever and wherever they are mentioned because while some believe they are God given and good others believe based on the misinterpretation and misunderstanding of some scriptures that they are bad and evil and must be avoided by all truly spiritual Christians who want to go to heaven It is to take Christians out of this dilemma that this book has been written to establish the truth 1 That our God is the giver of all our money wealth and riches 2 That such riches must be accepted from Him without any fear 3 That it is possible to receive such wealth and riches from Him and still be able to walk with Him stay with Him finish with Him and go to Heaven as people like Abraham Job Isaac and David did 4 That passages like Matthew 19 24 and several others like it scattered throughout the scriptures are only meant to show us some of the dangers and temptations connected with wealth and riches as similar temptations and trials go with every other human activity in God's created world 5 That the purpose of such warning passages on money wealth and riches is not to frighten us but to alert us to at least ten of these dangers and temptations so that we can know them move away from them and rely on the Holy Spirit to help us overcome them totally to enable us stand for God as men like Job Abraham Isaac and David did no matter the quantum of riches wealth and money with which God blesses us 6 That all these warning passages in the Bible put together throw light prominently on ten of these dangers and temptations as being 1 The temptation to forget God 2 The temptation to Greed 3 The temptation to covetousness 4 The temptation to worldliness 5 The temptation to pride and arrogance 6 The temptation to cheating and exploitation 7 The temptation to Apostasy 8 The temptation to trust in riches more than God 9 The temptation to become stingy 10 The temptation to hoard God given money wealth and riches May all our doubts about money riches and God given wealth be cleared after going through this book AMEN Now read on
