The Trustee Guide to Investment A. Clare, C. Wagstaff, 2011-11-22 The Trustee Guide to Investment is a unique and refreshingly practical guide to the expanding range of markets investments tools and techniques to which pension scheme trustees must now become familiar

**Wealth, War and Wisdom** Barton Biggs, 2009-10-26 An intriguing look at how past market wisdom can help you survive and thrive during uncertain times In *Wealth War Wisdom* legendary Wall Street investor Barton Biggs reveals how the turning points of World War II intersected with market performance and shows how these lessons can help the twenty first century investor comprehend our own perilous times as well as choose the best strategies for the modern market economy Through these pages Biggs skillfully discusses the performance of equities in both victorious and defeated countries examines how individuals preserved their wealth despite the ongoing battles and explores whether or not public equities were able to increase in value and serve as a wealth preserver Biggs also looks at how other assets including real estate and gold fared during this dynamic and devastating period and offers valuable insights on preserving one's wealth for future generations With clear concise prose Biggs Reveals how the investment insights of truly trying times can be profitably applied to modern day investment endeavors Follows the performance of global markets against the backdrop of World War II Offers many relevant lessons about life politics financial markets wealth and survival that can help you thrive in the face of adversity *Wealth War Wisdom* contains essential insights that will help you navigate modern financial markets during the uncertain times that will increasingly define this new century

*Stewardship* John G. Taft, Charles D. Ellis, 2012-02-07 A compelling argument for why stewardship of wealth and service to others should be our highest financial priority *Stewardship* is the journey of financial insider John Taft towards understanding and affirming the importance of stewardship which he has come to define as serving others as a core principle for the financial services industry the global financial system and society at large By defining the attributes of authentic stewardship this book presents a path forward by analyzing the success of Canadian banks in weathering the financial crisis evaluates the effectiveness of global financial reform efforts in making the financial system safer sounder and more secure offers wealth management prescriptions for individual investors evaluates the potential of ESG environmental social and governance investment processes as a way to instill stewardship behaviors among corporate CEOs particularly at financial services firms and ultimately calls for a return to stewardship's core principles as the key to not only minimizing the scope and consequences of future failures but also to addressing other societal challenges Argues for a return towards stewardship with financial services companies doing right by their customers Analyzes the response of Canadian banks to the financial crisis to provide meaningful advice for investors and businesses alike Inspired by Taft's experience running one of the largest wealth management firms in the country during the financial crisis and his direct participation in subsequent legislative and regulatory efforts to rewrite the rules under which the U S securities industry operates From the man who made the decision

to reimburse clients affected by the collapse of a money market mutual fund comes a compelling look at why financial service companies should start doing what's right for their customers **Bloomberg Markets** ,2008 **The Economist** ,2008

*What's Behind the Numbers?: A Guide to Exposing Financial Chicanery and Avoiding Huge Losses in Your Portfolio* John Del Vecchio, Tom Jacobs, 2012-10-10 Learn how to detect corporate sleight of hand and gain the upper hand with smart investing **Wealth, War and Wisdom** Barton Biggs, 2010-12-17 An intriguing look at how past market wisdom can help you survive and thrive during uncertain times In *Wealth War Wisdom* legendary Wall Street investor Barton Biggs reveals how the turning points of World War II intersected with market performance and shows how these lessons can help the twenty first century investor comprehend our own perilous times as well as choose the best strategies for the modern market economy Through these pages Biggs skillfully discusses the performance of equities in both victorious and defeated countries examines how individuals preserved their wealth despite the ongoing battles and explores whether or not public equities were able to increase in value and serve as a wealth preserver Biggs also looks at how other assets including real estate and gold fared during this dynamic and devastating period and offers valuable insights on preserving one's wealth for future generations With clear concise prose Biggs Reveals how the investment insights of truly trying times can be profitably applied to modern day investment endeavors Follows the performance of global markets against the backdrop of World War II Offers many relevant lessons about life politics financial markets wealth and survival that can help you thrive in the face of adversity *Wealth War Wisdom* contains essential insights that will help you navigate modern financial markets during the uncertain times that will increasingly define this new century **A Hedge Fund Tale of Reach and Grasp** Barton Biggs, 2010-12-03 Financial legend Barton Biggs fictional account of the hedge world and the broader workings of Wall Street Barton Biggs latest book is an inspirational rags to riches story of drive and financial talent Told through the eyes of a fictional insider this engaging story provides a detailed look at the hedge fund business in the late 1990s and through the first decade of the twenty first century *A Tale From the Hedge Fund World* chronicles the life of a poor boy who ends up amassing more wealth than he ever thought possible From studying Wall Street charts while sitting on the sidelines of football practice to realizing how so much money can be made in a short period of time this book provides a bird's eye view of the inner workings of Wall Street and what it takes to make it there Puts the word of hedge funds in perspective and reveals the competitive and lucrative nature of this field Other titles by Biggs *Hedgehogging* and *Wealth War Wisdom* Also describes the bursting of the mortgage bubble and the great financial crisis that followed No one knows more about the hedge fund world of the past twenty years than Barton Biggs His new fable offers an entertaining look at this field and those who aspire to excel within it
