Description

In 1990, after years of lurking in development hell, Total Recall was finally released. In the creative hands of renowned director Paul Verhoeven, this thrilling, intriguing, and occasionally violent sci-fi action movie, adapted from the Philip K. Dick short story 'We Can Remember It For You Wholesale', more than justified its huge budget by becoming a massive worldwide box-office hit.

"Get ready for a surprise!" as this lavish hardback book presents the full story of the making of this remarkable film. Incredible concept art and behind-the-scenes photography sheds new light on the production, while new interviews with key cast and crew capture their experiences on the notoriously difficult shoot in the Mexican heat. An in-depth look at the making of a sci-fi film classic.
