#Struggles Craig Groeschel, 2015-10-27 We all love the benefits of technology and social media, but even with the incredible upsides, many of us suspect there are unintended negative consequences that are beyond our control. We've lost perspective, even perhaps ourselves. In this relevant and life-changing new book, New York Times bestselling author and pastor of LifeChurch.tv, Craig Groeschel encourages readers who are hungry to regain control over their lives and put Christ first again. He walks them through biblical values that all Christ followers know are essential but are even more important for the maxed-out selfie-centered world we live in. The more you compare, the less satisfied you are. The more we interact online, the more we crave face-to-face intimacy, but the harder it is to have. The more filtered our lives become, the harder it is to be authentic. The more information about the pain in the world we're exposed to, the more difficult it is to care. It's time to refresh and rediscover our understanding for today's world: the biblical principles that life with Christ brings—contentment, intimacy, authenticity, compassion, rest, and more. Groeschel taps some of the most up-to-date studies on the effects of social media on our emotions and our friendships and shows us, through real-life illustrations, how we struggle and how we can overcome our struggles with Jesus' life-changing gospel message. With helpful appendices like the 10 Commandments of Using Social Media to Strengthen Your Faith, a challenge to go on Technology Fasts, and Creating Safeguards for Your Struggles, you'll find *Struggles* to be just the guide to bring balance and real-life engagement to your everyday living.

[Getting Past the Start](#) Becca Ramirez, 2014-11-11 Do you ever feel so overwhelmed by the idea God has a purpose for your life you become immobilized by fear? Do you wonder how badly you can mess life up and still fulfill this purpose? God has a plan for your life. This simple phrase meant to encourage so often scares us into idleness. We don't know what to do, so instead we do nothing and fear what will happen if we fail. In *Getting Past the Start*, author Becca Ramirez encourages Christians to be bold in their faith and run the race that God has placed before them with confidence. Through topics like the gifts of the Spirit and the will of God, Ramirez shows we are more prepared to handle this life than we previously believed. She discusses realizing the potential that God has placed within us, allowing him to take control of that potential, and making sure that change becomes a reality. Through scriptures and other sources, *Getting Past the Start* focuses on getting out of the blocks and running the race before us rather than watching from the sidelines. It tells us to overcome the fear that has paralyzed us and recognize God has equipped us to do all we are called to do.

Sexperiment Ed Young, Lisa Young, 2012-01-10 The predominant message in our culture is that it's okay to have sex whenever, wherever, and however we want. Sex has become just sex. But while society has taken sex too far, the church hasn't taken it far enough. God wants couples to make love in marriage with passion, with purpose, and with pleasure. Marriages aren't experiencing all the benefits that come from a healthy sex life. Couples are facing a barrage of influences that keep them from connecting with

each other regularly the kids the career the house the errands etc SEXPERIMENT shows people that sex in marriage is more than just sex and it s more than a chore The Youngs believe it s time to get back to understanding the context of sex in marriage and that it s time for couples to break the barriers keeping them from a healthy sexual relationship Couples ought to experience the benefits of having sex regularly intentionally and creatively SEXPERIMENT will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks
