What Is A Case Exploring The Foundations Of Social Inquiry:

What Is a Case? Charles C. Ragin, Howard Saul Becker, 1992-07-31 The concept of the case is a basic feature of social science research and yet many questions about how a case should be defined selected and judged are far from settled The contributors to this volume probe the nature of the case and the ways in which different understandings of the concept affect the conduct and the results of research The contributions demonstrate that the work of any given researcher is often characterised by some hybrid of these basic approaches and it is important to understand that most research involves multiple definitions and uses of cases as both specific empirical phenomena and as general theoretical categories *What is a Case?* Charles C. Ragin, Howard Saul Becker, 1992 The contributors probe the nature of the case and the ways in which different understandings of the concept affect the conduct and results of research *What is a Case?* Charles C.

Ragin, Howard Saul Becker, 1992 **What Is a Case?** Charles C. Ragin, Howard Saul Becker, 2014-09-07 The contributors probe the nature of the case and the ways in which different understandings of the concept affect the conduct and results of research The SAGE Handbook of Case-Based Methods David Byrne, Charles C Ragin, 2009-07-01 This handbook provides a clear examination of case oriented research It defines case based social research as a subfield of methodology *Israel in Comparative Perspective* Michael N. Barnett, 2012-02-01 Because Israel is unique in many dimensions many social scientists consider it a historical peculiarity Neither East nor West developed nor undeveloped capitalist nor socialist Third World nor First World Israel has little in common with other countries and their historical experiences This book of original essays challenges the image of Israeli uniqueness and the status of the Israeli case and at the same time corrects some common misperceptions about the comparative method in general and case selection in particular At the same time it compares Israeli and Arab experiences and addresses critical issues in Middle Eastern studies To challenge the image of Israeli uniqueness the authors situate Israel s history in comparative context employ macrohistorical concepts both to reexamine the Israeli case and to build bridges between Israel and other historical experiences and use the Israeli case to reconsider existing social science theories Articles by Michael Barnett Yehezkal Dror Rebecca Kook Ian Lustick Joel Migdal Gershon Shafir Gabriel Sheffer Shibley Telhami and Mark Tessler and Ina Warriner *Israel in Comparative Perspective* demonstrates how our understanding of the region can be enriched by using models and theories developed in other regions to reexamine Israeli history **Case Study Research** John Gerring, 2016-12-24 *Case Study Research Principles and Practices* provides a general understanding of the case study method as well as specific tools for its successful implementation These tools are applicable in a variety of fields including anthropology business and management communications economics education medicine political science psychology social work and sociology Topics include a survey of case study approaches a methodologically tractable definition of case study strategies for case selection including random sampling and other algorithmic approaches quantitative and qualitative modes of case study analysis and problems of internal and external
