What I Meant To Say The Private Lives Of Men:

What I Meant to Say The Private Lives of Men, 2014 Are the men you know obsessed with strange details Do they sometimes seem to have less interest in you than they do in box scores and the history of the bolo tie Do they become sexually aroused at unusual moments perhaps while reading a history of the Battle of Trafalgar Why are they fixated on cars and heroes and strippers and silence Do they ever think about anything but sex Are they ever faithful And how can a man be so headstrong about not asking for directions and such a wimp about pain What I Meant to Say The Private Lives of Men answers these and other questions about the male animal whether you re a woman seeking enlightenment or a man looking for company After all there s a lot to clear up Thanks to the women s movement and gay liberation contemporary manhood has changed beyond recognition in the past forty years At the same time the age old preoccupations of men their unreachable loneliness the unstoppable physicality of their bodies and desires remain as bewildering and mysterious as ever Until now What I Meant to Say presents new and unpublished work from twenty eight of Canada s most thoughtful and articulate male writers as they map the uncharted terrain of men s private lives At once touching and hilarious insightful and provocative What I Meant to Say is a personal tour of the secret male psyche but this time it s open to men and women alike
