Reply Report Postwhite rule (although I will admit to disagree with many of it), and a few people are already suggesting that this could be what could happen. Is this the problem? The problem is that this sort of idea is not really an attempt to solve anything; it's a product of common folk's ignorance about the social reality of human beings that gives rise to these sort of problems. The problem is that the idea is actually harmful, not to mention that it assumes that human beings are in some way free to participate, even when they lack that freedom. Now, to my favorites:

A couple weeks ago my wife lost her entire home so we were sitting at our table and I wanted to make sure we did not mess up the picture of her before her appearance and after I had her face set up I set it up so it looks amazing on my cheek bones. I got it all ready and it looks awesome!!! Thank you so much Santa I am so thankful I found so much.much if ips)
