Basic Theology Charles C. Ryrie, 1999-01-11 Theology is for everyone Everyone is a theologian of sorts Theology simply means thinking about God and expressing those thoughts in some way But sloppy theology is a problem As Christians our thoughts about God need to coincide with what He has said about Himself in the Bible With his clear understanding of the Scriptures and unpretentious writing style Charles Ryrie has written Basic Theology for every student of God s Word from the devotional student to the seminary student Ryrie s name has become synonymous with dispensational theology and his texts on the subject invaluable to the Bible scholar Now Ryrie s Basic Theology is available to you from Moody Press the company that brings you the Ryrie Study Bible Featuring charts definitions and Scripture and subject indices Basic Theology will give you a clear and comprehensive picture of Ryrie s approach to systematic theology Its 94 chapters are arranged in outline style for easy reference Considerable emphasis is given to explaining the dispensational view of the end times

The Making of the 1963 Baptist Faith and Message A. J. Smith, 2008-08-05 Questions regarding the orthodoxy of Dale Moody and Ralph Elliott propelled the Southern Baptist Convention SBC toward a re evaluation of its doctrinal statement the Baptist Faith and Message BFM The SBC adopted this document in 1925 under the leadership of E Y Mullins when faced by the challenge of modernism This dissertation argues that the 1962 Committee on Baptist Faith and Message produced a document that expressed subtle shifts in Baptist theology This shift had the effect of assuring the conservative base while allowing enough latitude in interpretation for those serving in the academy to teach more progressive views After a first introductory chapter chapters 2 and 3 trace the historical developments leading to the formation of the Committee Biblical inspiration and interpretation were key concerns but as chapter 3 demonstrates other concerns drew the attention of the Committee Chapters 4 and 5 deal with the ever sensitive issue of the relationship between Baptist confessionalism soul liberty and soul competency Each chapter examines how Baptist confessionalism functioned in relation to these concepts Chapter 6 examines

in detail the work of the Committee itself and looks at those persons or groups who influenced the outcome of the Committee's work. Of special note are the contributions made by Wayne Ward, Leo Garrett, the religion faculty of Mercer University and the theology faculty of Southern Seminary. Chapter 7 examines four areas where the 1963 BFM altered the confessional expression of Baptist doctrines: 1. Scripture, 2. Man, 3. Salvation, 4. The Church. Chapter 8 is the conclusion. Four appendices contain early drafts of the Committee's work.

The Normal Christian Faith Watchman Nee, 1994-02 *What Christians Have Always Believed: Essentials of the Christian Faith* Timothy Cross, 2021-01-26. An excellent resource for old and new alike to immerse ourselves in and having done so go out with a new song to sing, a flag to follow and a story to tell that may once more change the world. Revd Marcus Nelson, Vicar St Marks Evangelical Anglican Church, Cardiff, Wales. This book full of biblical truth will assist with the growing up aspect of our Christian lives. Good theology plainly presented is essential for the disciple of Jesus. Here is a tool for both those new in the faith and for those who want to go deeper into the essentials. Kent Philpott, Pastor, Miller Avenue Baptist Church, Mill Valley, California, USA.

A New Systematic Theology of the Christian Faith Robert L. Reymond, 2010-01-31. A contemporary foundational statement of classic reformed faith, now revised and updated. Comprehensive, coherent, contextual and conversational. Scripture saturated with more exegesis and more Scripture quotations than other one-volume theologies. Upholds classic Calvinist positions on baptism, the Trinity, church government and much more. Interacts with contemporary issues and the work of other theologians. Reveals the author's warmth and sensitivity born of more than 25 years as a professor at leading Reformed seminaries. Numerous appendices covering special topics, abundant resources for further study through footnotes and a selective bibliography. A textbook for theology students, a life-long reference for libraries, ministers, teachers and professional theologians.

An Informed Faith R. J. Rushdoony, 2017-07-11. Our faith should be an informed one because the God who created all things speaks to every sphere of life and all facts should be studied in light of the revelation of God in Scripture. This is the foundation of Christian dominion. For R. J. Rushdoony, true government was the self-government of the Christian life in terms of God's law, so he wrote his position papers to better equip Christians to apply their faith to all of life. His objective was not to empower the state or the organized church but rather to call every person and institution to God's Word, which often put him at odds with both church and state. This three-volume collection of his position papers, 1979-2000, are organized topically and are featured for the first time with an extensive index which will make this material far more accessible to the studious reader. This beautiful three-volume collection of hardback books topically organizes ALL of Rushdoony's position papers, not only the 115 originally published in *Roots of Reconstruction* but also 118 later essays, including six recently discovered unpublished papers.

Saved by Grace through Faith or Saved by Decree? Geoffrey D. Robinson, 2022-04-07. This work addresses a topic of interest to many people who are seeking to better understand the Christian doctrine of salvation (soteriology). It is written to provide a systematic biblical and theological critique of a particularly popular perspective of this doctrine that has seen

something of a resurgence in recent years namely Calvinism The book is structured around the so called five points of Calvinism commonly referred to by the acronym TULIP Total depravity Unconditional election Limited atonement Irresistible grace and Perseverance of the saints Following an initial chapter outlining the historical development of the doctrine each of the five points are examined in subsequent chapters Each point is described in the words of prominent Calvinist scholars key biblical texts purporting to support the doctrine carefully evaluated and a series of theological issues related to the point are raised and discussed The Westminster Confession of Faith Examined on the Basis of the Other Protestant Confessions
Joseph Taylor Goodsir, 1868
