The Devil's Presence: A Novel James Oliver Goldsborough,2023-05-02 Can fiction save us Is there hope for America in the time of Trump pandemics QAnon and the end of genuine political discourse What better than this perfectly told novel to tell the story of so many of us to ourselves as we seek hope and solace in terrible times Andy McKnight had never seen anything like it nobody had The election of this man was breaking up families across the nation wives and husbands children and parents lifelong friends the fabric of American social life torn apart as it hadn t been since the Civil War The venom even seeped into his own happy home Then came the pandemic two plagues at once even in the Bible they were one at a time He tried escaping into the past back to better times but Max and Elly an old man and a young girl he met on the streets of Santa Monica jolted him back to reality With others like them mad as hell and not going to take it anymore maybe it wasn t too late after all Urban Monstrosities Joseph Lamperez,Ali McGhee,2018-07-27 Sign of sublime excess and transgression guardian of the threshold and uncanny creature par excellence the monster of late has also become a mainstay of urban narratives even while its presence in these texts remains untheorized The authors in this collection show how artists and writers across the past two hundred years from William Wordsworth to China Mi ville figure the monster as a barometer of changing urban patterns Here monstrosity becomes the herald of embryonic social forms and marginalized populations in portrayals of cities across media from video games film and avant garde sonic experiments to written tales of urban fantasy and gothic ruin This volume suggests that poetic and municipal structures evolve in tandem Within its chapters unearthly buildings and beings signal a host of new urban dispensations Shattered: A YA Urban Fantasy Novel (Volume 4 of the
