World Class Contracting World Class Contracting:

World Class Contracting Gregory A. Garrett, 2006-11-17 In today's highly specialized business world many organizations are outsourcing to strategic partners in an effort to cut costs while maintaining good customer relations. Because their reputation is on the line, these companies must carefully manage partnership agreements, procurement solutions, and integrated supply chains to meet the exacting expectations of customers. A strong contract management program is paramount to companies that outsource, paving the way to stronger and more efficient business relationships that enhance rather than reduce the bottom line. *World Class Contracting* can help you gain a thorough understanding of the contracting process. Whether you are buying or selling contracts, this book will prove an invaluable desktop resource. The Fourth Edition of *World Class Contracting* adds three powerful chapters to the book. The three new chapters include The Contract Management Senior Executive Assessment Tool, the Contract Management Maturity Model (CMMM), and a comprehensive discussion of Enterprise Contract Management, including independent assessments of six of the leading Enterprise Contract Management Software Applications. In addition, the Fourth Edition includes an expanded discussion of international contract management issues, an expanded review of the leading Contract Management associations (NCMA, ISM, IACCM), updated discussions of contract management professional certifications, updated Contract Management Forms and Tools.

World-class Contracting Gregory A. Garrett, 1997 This outsourcing guide is supplemented with numerous process diagrams, best practices, sample forms, tools, and techniques that the practitioner will find relevant and valuable. Companies and organizations worldwide have stepped up their contracting for goods and services with the intent of focusing more on their core business and allowing suppliers and vendors to do the other work. The marketplace is booming, and only those with a solid understanding of contract management will achieve ultimate success. Back cover: Because contract management is first and foremost about building and maintaining successful business relationships, readers of this book will learn how to build such relationships by using proven contract management processes, tools, techniques, and documented best practices in contract management for both buyers and sellers. The book was written for business professionals involved in buying or selling products and services. This includes sales managers, contract managers, purchasing managers, financial managers, proposal managers, engineers, lawyers, project managers, mid-level business managers, executives, and other business professionals. Introd U.S. Military Program Management Gregory A. Garrett, 2006-12 An indispensable resource for all defense industry professionals, governmental, and commercial.
