The Ultimate Unofficial World of Warcraft Classic Leveling Guide (Special Edition) Vincent Verret, 2018-07-19 Welcome to the Ultimate Unofficial Classic WoW Leveling Guide with complete 1-60 routes for BOTH the Alliance and Horde. With this guide you'll save days off of your leveling time getting you to 60 in the fastest time possible. This guide is designed for new players and veterans alike and you'll need it when faced with the difficulty of the original World of Warcraft. This guide contains both an outline of leveling by questing area and character level as well as tips, tricks, secrets, and advanced techniques to speed up your leveling. If you want to quickly get into level 60 raids and dungeons you'll need this guide.

Why World of Warcraft Classic? Like many of you, I have fond memories of the original WoW and its Burning Crusade Expansion. I remember a time before instant gratification achievements and cross realm group finder where your reputation, skill as a player, and social connections mattered. When faced with the challenges of Azeroth, we all had to make friends and work together. With the return of classic WoW, we can all have that again: friendships that last beyond the game instead of gear that is recycled with each content patch. Classic WoW is about quality over quantity. I have nearly 200 mounts on regular WoW, yet none feel as rewarding as my original level 60 mount. With this series of Guides, you can become that legend again or become a new legend in the most important MMORPG of our time.
