Screen Time Is Not Forever Elizabeth Verdick, 2021-06-23 Children learn boundaries and safety when using screens and fun things to do when screens are off. As important as screens are in our lives, we all need to unplug, especially children. This reassuring picture book offers children and families a starting point for limiting screen time and making the most of the time you have with your screens and without. While screens can be helpful and fun, they are not intended for use all the time. The American Academy of Pediatrics recommends consistent limits on screen time for children, and adults should take steps to ensure online safety for kids. With straightforward suggestions, children will learn valuable information about online safety, setting healthy screen time boundaries, and the importance of screen-free time. With her trademark mix of empathy and encouragement, author Elizabeth Verdick offers appealing and healthy alternatives to using screens, as well as ways to stay safe and happy when online. Illustrator Marieka Heinlen's active and vibrant illustrations of young children interacting with their caregivers and families bring the activities and suggestions for screen-free fun to life. A section for adults at the end of the book includes information on the effects of too much screen time and suggestions for establishing screen time boundaries. *Best Behavior Series*: Simple words and lively full-color illustrations guide children to choose positive behaviors. *Tails Are Not for Pulling* Elizabeth Verdick, 2005-09-15 Pets may not have words, but they can communicate. Paying attention to an animal's cues—a joyful bark, a scary growl, a swishing tail—can help a child understand what the animal is saying and what an appropriate response might be. That's part of what this book is about. But mostly, it's about showing children how to love pets gently, because pets are for loving. After all, kids learn that teasing isn't nice; that they can choose to be kind to animals and that if you want to touch someone else's pet, there's one important rule you should know: Ask the owner first. A special section for adults includes ideas for teaching kindness to animals, activities, and discussion starters.

**Hands Are Not for Hitting** Martine Agassi, 2009-03-15 Children learn that violence is never okay; that they can manage their anger and other strong feelings; and that they're capable of positive, loving actions like playing, making music, learning, counting, helping, taking care, and much more. Includes a special section for adults with activities and discussion starters.
