The Last Good Neighbor Eric Zolov,2020-05-08 In *The Last Good Neighbor* Eric Zolov presents a revisionist account of Mexican domestic politics and international relations during the long 1960s tracing how Mexico emerged from the shadow of FDR s Good Neighbor policy to become a geopolitical player in its own right during the Cold War Zolov shows how President Adolfo Lopez Mateos 1958-1964 leveraged Mexico s historical ties with the United States while harnessing the left s passionate calls for solidarity with developing nations in a bold attempt to alter the course of global politics During this period Mexico forged relationships with the Soviet Bloc took positions at odds with US interests and entered the scene of Third World internationalism Drawing on archival research from Mexico the United States and Britain Zolov gives a broad perspective on

the multitudinous transnational forces that shaped Mexican political culture in ways that challenge standard histories of the period *Introduction to Congress*, 1978 **Though Justice Sleeps** Barbara Bair, 1997-04-03 The period of Reconstruction that followed the end of the Civil War was a time of both tremendous promise and the deep conflict of ideas At stake was the question of what the racial future of America would be In the years between 1880 and 1900 the wonderful promise of a future of freedom that was made to black people by emancipation was broken It was a promise that African Americans could conduct their daily lives with the assurance that their rights would be protected the assurance of wide awake and diligent social justice Instead justice slept African Americans did however make their own brand of liberty through their activism and their faith When John Solomon Lewis's family claimed their own land in Kansas or Bishop Henry McNeal Turner encouraged African Americans to take pride in Africa the flame of freedom was maintained When Richard L Davis organized mineworkers or black women in New Orleans marched in the streets in support of striking dockworkers they kindled the light of freedom that illuminated their path When Booker T Washington arrived in Tuskegee Alabama and started a school in Johanna Bowen Rudgrey's church that light was further kindled The message that African American activists of the 1880s and 1890s left for those in the 20th century was a clear one Frances Harper said it at the Chicago Women's Congress in 1893 Demand justice simple justice as the right of every race In *Though Justice Sleeps* Barbara Bair demonstrates that black people were more than victims of Jim Crow laws and racial violence She shows that they organized fought back moved around thought wrote and created works of art They connected their struggles with the rest of the world turning to Africa Europe and the Caribbean for guidance and inspiration **Readings in Medieval History, Volume I** Patrick Geary, 2016-04-01 Patrick J Geary's highly acclaimed collection of source materials on the medieval period is well known for offering an excellent selection of substantial excerpts or whole documents wherever possible from the most widely studied historical texts This much anticipated fifth edition features a larger format as well as enlarged type to make the collection more reader friendly Study questions have been added at the end of each section to help students focus on key points in the text Volume I includes a new selection from the Rule of St Benedict and a new translation of Einhard's *The Life of Charlemagne* as well as a color photo section introducing students to fascinating medieval art such as a seventh century stone from Hornhausen a shirt that belonged to Queen Bathild and a page from the St Petersburg Bede **1967 Annual Supplement** John B. Simeone, Alfred de Grazia, Carl E. Martinson, 2013-12-01
