Liao, Fengming Cui, 2020-05-26 This open access book brings together oral histories that record the experiences of individuals with intellectual disabilities in Shanghai as they participate in their careers. Employees with intellectual disabilities describe their experiences seeking, attaining, and maintaining employment. Their managers, colleagues, and family members also provide keen insight into the challenges and opportunities these individuals have encountered in the process of securing employment. An appendix provides a compilation of employment policies related to people with intellectual disabilities, particularly with respect to Shanghai.

Pull Yourself up by Your Bootstraps Evelyn Cross, 2022-01-05 Many self-help books promise a magical leap from rags to riches, but this book is different. Evelyn Cross went from being a homeless single mother to a professional woman steeped in success. Today she owns a home, drives a new car, and has all the trappings of a put-together woman. In this book, she emphasizes the value of hard work, noting that we're not all born with a special gift, and we're not all destined to become celebrities, sports heroes, or business tycoons. With hard work, however, you can make the most of the cards you're dealt: create a plan to achieve goals, identify the work you want to do, spend your money wisely. You can act today to overcome obstacles and live a happy, healthy, productive life. You can be a success. Make smart decisions, stop feeling sorry for yourself, and walk down a path that leads to success with the wisdom in *Pull Yourself Up by Your Bootstraps*.
